## Belkin F7U027dqWHT

# Belkin Quick Wireless Charging Pad 7.5W Instruction Manual

Model: F7U027dqWHT

Brand: Belkin

---

## 1. INTRODUCTION

The Belkin Quick Wireless Charging Pad provides a convenient and efficient way to charge your compatible devices wirelessly. This Qi-certified charger delivers up to 7.5 watts of power for iPhones and 5 watts for other Qi-enabled devices, ensuring a reliable charging experience without the need for cables.

## 2. WHAT'S IN THE Box

- Belkin Quick Wireless Charging Pad
- AC Power Adapter
- User Manual (this document)

## 3. SETUP

1. **Connect the Power Adapter:** Plug the AC power adapter into a wall outlet. Connect the other end of the adapter cable to the power input port on the back of the Belkin Quick Wireless Charging Pad.
2. **Placement:** Place the charging pad on a flat, stable surface, such as a desk or nightstand, ensuring it is within reach of a power outlet.

## 4. OPERATING INSTRUCTIONS

- 1. Place Your Device:** Carefully place your Qi-enabled smartphone or device onto the center of the charging pad.
- 2. Confirm Charging:** The built-in LED indicator light on the charging pad will illuminate green to confirm that your device is properly aligned and charging. Your device's screen should also indicate that it is receiving a charge.
- 3. Charging with a Case:** The charging pad is compatible with most lightweight plastic cases up to 3mm thick. You typically do not need to remove your phone case for charging.

Video: This official video from Belkin demonstrates the features and ease of use of the Boost Up Wireless Charging Pad, highlighting its design and charging capabilities.

## 5. KEY FEATURES

- **7.5W Fast Charge:** Optimized for Apple devices, providing up to 7.5W of power. Other Qi-compatible

devices charge at 5W.

- **Interruption-Free Charging:** Charge your smartphone while listening to music, streaming videos, or video calling without interruption.
- **Worry-Free Design:** Convenient pad design with integrated LED lights to indicate optimal alignment and charging status.
- **Case Compatibility:** Charges through most lightweight plastic cases up to 3mm thick.

## 6. COMPATIBILITY

The Belkin Quick Wireless Charging Pad is Qi-certified and compatible with a wide range of devices, including:

- iPhone 8, iPhone 8 Plus, iPhone X, iPhone XS, iPhone XS Max, iPhone XR, iPhone 11, iPhone 12, iPhone 13, iPhone 14, iPhone 15, iPhone 16, iPhone 17, and iPhone SE (including all standard, Plus, Pro, Pro Max, and Mini models).
- Qi-enabled phones from Samsung, Google, LG, Sony, and more.
- Apple AirPods Pro and other Qi-enabled earbuds.

## 7. MAINTENANCE

To ensure optimal performance and longevity of your charging pad:

- Keep the charging pad clean and free of dust and debris. Use a soft, dry cloth for cleaning.
- Avoid exposing the device to extreme temperatures, moisture, or direct sunlight.
- Do not attempt to disassemble or repair the charging pad yourself.

## 8. TROUBLESHOOTING

- **Device Not Charging:**

- Ensure your device is centered on the charging pad.
- Check that the power adapter is securely connected to both the wall outlet and the charging pad.
- Remove any thick or metallic phone cases, or cases containing magnets, as these can interfere with wireless charging.
- Verify that your device is Qi-enabled.

- **Slow Charging:**

- Ensure you are using the original Belkin AC power adapter provided with the charging pad.
- Confirm your device is properly aligned on the pad.
- Close any unnecessary background applications on your device.

- **LED Indicator Not Lighting Up:**

- Check power connections.
- Ensure no foreign objects are on the charging pad.

## 9. SPECIFICATIONS

Feature	Detail
Product Dimensions	2.72 x 5 x 6.18 inches
Item Weight	4.1 ounces

Item Model Number	F7U027dqWHT
Connectivity Technology	Wireless
Special Features	Wireless Charging
Color	White
Manufacturer	Belkin Inc.
Input Voltage	100 Volts
Wattage	7.5 watts
