1. PRODUCT OVERVIEW

The Ameriwood Home Lumina Fireplace TV Stand is designed to enhance your living space with both functionality and aesthetic appeal. This unit features a built-in electric fireplace insert, ample storage, and integrated LED lighting. It is suitable for flat-paneled televisions up to 70 inches and provides supplemental heating for rooms up to 400 square feet.

Key Features:

- **TV Compatibility:** Accommodates flat-paneled TVs up to 70 inches, with a maximum weight capacity of 120 lbs.
- **Electric Fireplace:** Features a 23-inch wide electric fireplace insert with adjustable flame brightness and the option to operate with or without heat.
- **Integrated LED Lighting:** Side shelves are illuminated with optional blue LED lights, enhancing the ambiance.
- **Storage:** Six open shelves, including two glass shelves, provide space for entertainment components, media, and decorative items.
- **Remote Control:** Conveniently adjust fireplace settings and LED lights using the included remote control.
- **Construction:** Constructed from sturdy metal parts, white laminated particleboard, hollow core, MDF,

and tempered glass.

2. SETUP & ASSEMBLY

Assembly of the Ameriwood Home Lumina Fireplace TV Stand requires two adults. Please ensure all components are present before beginning assembly. Refer to the detailed assembly instructions included in the product packaging for step-by-step guidance.

Pre-Assembly Checklist:

- Verify all hardware and panels are accounted for against the parts list in your manual.
- Clear a spacious area for assembly to prevent damage to components.
- Gather necessary tools (e.g., screwdriver, hammer).

Dimensions:

The assembled dimensions of the TV stand are approximately 24.875 inches (H) x 64.75 inches (W) x 18.875 inches (D).

3. OPERATING INSTRUCTIONS

The Lumina Fireplace TV Stand features an electric fireplace insert with various settings for ambiance and heating. All functions can be controlled via the included remote control or the control panel on the fireplace unit.

Fireplace Functions:

- **Power On/Off:** Press the power button on the remote or unit to turn the fireplace on or off.
- **Flame Effect:** Adjust flame brightness and color. The UltraFlame™ patented technology provides a realistic flame effect.
- **Heat Function:** Activate or deactivate the heater. The unit can warm rooms up to 400 sq. ft. The thermostat is adjustable from 64°F to 82°F.
- **Timer:** Set a timer for automatic shut-off, up to 6 hours.
- **LED Shelf Lights:** The side shelves feature blue LED lights that can be turned on or off independently of the fireplace.

4. MAINTENANCE

To ensure the longevity and optimal performance of your Ameriwood Home Lumina Fireplace TV Stand, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the surfaces with a dry cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Fireplace Insert:** Periodically check the air intake and outlet vents of the fireplace insert for dust or obstructions. Clean as necessary to maintain proper airflow.
- **Glass Shelves:** Clean glass shelves with a glass cleaner and a soft cloth.

5. TROUBLESHOOTING

If you encounter any issues with your Fireplace TV Stand, please consult the following common troubleshooting tips. For more complex problems, contact customer support.

- **No Power:** Ensure the unit is properly plugged into a functional electrical outlet. Check the circuit breaker.

- **Fireplace Not Heating:** Verify the heat function is activated via the remote or control panel. Ensure the thermostat is set to a temperature higher than the ambient room temperature.
- **Remote Control Not Working:** Check and replace batteries in the remote control. Ensure there are no obstructions between the remote and the fireplace unit's sensor.
- **LED Lights Not Functioning:** Check connections for the LED strips. Ensure the power supply for the lights is connected.
