Care and Maintenance

To ensure the longevity and appearance of your Mikasa Ciara dinnerware, follow these care instructions:

- **Dishwasher Safe:** All pieces are safe for cleaning in an automatic dishwasher. Use standard dishwasher detergents.
- **Microwave Safe:** The dinnerware can be safely used in a microwave oven for reheating food.
- **Oven Safe:** This dinnerware is oven safe. Avoid extreme temperature changes.
- **Freezer Safe:** Suitable for temporary storage in a freezer.
- **Chip Resistant:** Made from durable bone china, designed to resist chipping under normal use.
- **Storage:** When stacking, place a soft cloth or paper towel between plates to prevent scratching, especially if stacking frequently.

Dishwasher safe for fast, simple cleanup.
Microwave and oven safe for quick reheating.

Troubleshooting

Minor Scratches

While bone china is durable, minor scratches can occur over time from cutlery. These are typically superficial and do not affect the functionality of the dinnerware. To minimize, avoid harsh abrasive cleaners or scrubbing pads.

Chipping

Although chip-resistant, extreme impact or sudden temperature changes can cause chipping. Handle with

care, especially when stacking or placing items in sinks.

Stains

For stubborn food stains, a mild abrasive cleaner or a paste of baking soda and water can be used. Rinse thoroughly after cleaning.

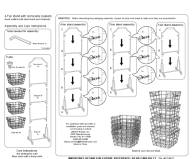

Warranty and Support

Mikasa dinnerware is manufactured to high-quality standards. For specific warranty information or support inquiries, please refer to the official Mikasa website or contact their customer service directly.
