Beats MLYE2LL/A

Beats X Wireless In-Ear Headphones User Manual

Model: MLYE2LL/A

Introduction

The Beats X Wireless In-Ear Headphones (MLYE2LL/A) provide a high-quality audio experience with the convenience of wireless connectivity. Designed for comfort and portability, these headphones are suitable for various activities, from daily commutes to extended listening sessions. This manual provides essential information for setting up, operating, and maintaining your Beats X headphones.

What's in the Box

- Beats X Wireless In-Ear Headphones
- USB Charging Cable
- Multiple Eartip Options (for customized fit)
- Carrying Case

Product Overview

The Beats X headphones feature a flexible neckband design with magnetic earbuds for secure storage when not in use. The integrated RemoteTalk control allows for easy management of music playback, calls, and Siri activation.

Key Features

- **Wireless and Bluetooth Connectivity:** Enjoy untethered listening with reliable Bluetooth technology.
- **USB Connection Option:** For charging and potential wired audio (though primarily wireless).
- **Foldable Design:** The flexible neckband allows for compact storage and portability.
- **Compact Size:** Dimensions of 5 x 2.5 x 7 inches for a streamlined fit.
- **Lightweight:** Weighing approximately 2.11 ounces (0.06 kg) for comfortable wear.
- **In-Ear Form Factor:** Provides a secure and immersive audio experience.

Product Video Overview

Your browser does not support the video tag.

Video 1: An official overview of the Beats X Wireless In-Ear Headphones, detailing their features, design, and color options including Black, Blue, Defiant Black-Red, and Gray. The video highlights the wireless Bluetooth connectivity, USB connection option, foldable design for portability, compact size (5 x 2.5 x 7 inches), lightweight nature (2.12 ounces), and in-ear form factor.

Setup

1. Charging Your Headphones

Before first use, fully charge your Beats X headphones. Connect the supplied USB charging cable to the charging port on the headphones and the other end to a USB power adapter or computer USB port. The LED indicator will show charging status.

- **Charging Time:** Approximately 8 hours for a full charge.
- A 5-minute Fast Fuel charge provides 2 hours of playback when battery is low.

2. Pairing with a Bluetooth Device

1. Turn on your Beats X headphones by pressing and holding the power button on the right control module until the LED indicator flashes.
2. On your device (smartphone, tablet, computer), go to Bluetooth settings and ensure Bluetooth is enabled.
3. Select "Beats X" from the list of available devices.
4. Once connected, the LED indicator on the headphones will turn solid white.

Operating Instructions

The RemoteTalk control on the left side of the neckband allows you to manage various functions.

Power On/Off

- **To Power On:** Press and hold the power button until the LED indicator lights up.
- **To Power Off:** Press and hold the power button until the LED indicator turns off.

Music Playback

- **Play/Pause:** Press the center button once.
- **Next Track:** Press the center button twice quickly.
- **Previous Track:** Press the center button three times quickly.

Volume Control

- **Volume Up:** Press the volume up button.
- **Volume Down:** Press the volume down button.

Call Management

- **Answer/End Call:** Press the center button once.
- **Decline Call:** Press and hold the center button for 2 seconds.
- **Switch Between Calls:** Press the center button once to switch between two active calls.

Siri/Voice Assistant

- **Activate Siri/Voice Assistant:** Press and hold the center button until you hear a chime.

Maintenance and Care

- **Cleaning:** Use a soft, dry, lint-free cloth to clean the headphones. Do not use abrasive cleaners or solvents.
- **Storage:** When not in use, store the headphones in the provided carrying case to protect them from dust and damage.
- **Avoid Moisture:** Keep the headphones away from water and excessive moisture.
- **Temperature:** Avoid exposing the headphones to extreme temperatures.

Troubleshooting

Headphones Not Turning On

- Ensure the headphones are fully charged. Connect them to a power source and check the LED indicator.
- Try resetting the headphones by holding both the volume down button and the power button for 10 seconds.

Cannot Pair with Device

- Make sure Bluetooth is enabled on your device and the headphones are in pairing mode (flashing LED).
- Move the headphones closer to your device.
- Forget "Beats X" from your device's Bluetooth settings and try pairing again.
- Ensure no other devices are currently connected to the headphones.

No Sound or Low Volume

- Check the volume levels on both your headphones and your connected device.
- Ensure the headphones are properly paired and connected.
- Try playing audio from a different application or device.
- Clean the eartips and speaker mesh to remove any debris.

Specifications

Brand	Beats
