HUAWEI HL1289-BP

HUAWEI HL1289 USB Type C Cable User Manual

Model: HL1289-BP

INTRODUCTION

This user manual provides comprehensive instructions for the HUAWEI HL1289 USB Type C Cable. Designed for super-fast charging and efficient data transfer, this cable is compatible with a wide range of USB-C enabled devices, including popular Samsung Galaxy and LG smartphone models. Please read this manual carefully to ensure proper usage and to maximize the performance and longevity of your cable.

PRODUCT OVERVIEW AND FEATURES

The HUAWEI HL1289 USB Type C Cable is engineered for high performance and reliability. Key features include:

- USB Type C Connector:** Reversible design for easy connection.
- 5A Super-fast Charging:** Supports rapid power delivery to compatible devices.
- USB 3.1 Data Transfer:** Enables high-speed data synchronization between devices.
- Durable Construction:** Designed for everyday use.
- Wide Compatibility:** Works with various smartphones and devices featuring a USB-C port.

Image 1: The HUAWEI HL1289 USB Type C Cable, illustrating its USB-A and USB-C connectors. The USB-A end is typically for connecting to a power adapter or computer, while the USB-C end connects to the mobile device. The cable is white and features a round shape.

PACKAGE CONTENTS

Your package should contain the following items:

- 2 x HUAWEI HL1289 USB Type C Cables

Image 2: One of the HUAWEI HL1289 USB Type C Cables, neatly coiled and secured within its transparent plastic packaging. A label with "HL1289" and a QR code is visible on the packaging, confirming the model number.

SETUP

Setting up your HUAWEI HL1289 USB Type C Cable is straightforward:

1. For Charging:

- Connect the USB-A end of the cable to a compatible USB wall adapter, car charger, or power bank. For super-fast charging, ensure your power source supports the required voltage and amperage (e.g., 5A).
- Connect the USB Type C end of the cable to the charging port of your smartphone or other USB-C enabled device.
- Verify that your device indicates it is charging. If your device supports super-fast charging, it should display a corresponding indicator.

2. For Data Transfer:

- Connect the USB-A end of the cable to an available USB port on your computer (PC or Mac).
- Connect the USB Type C end of the cable to the USB-C port on your smartphone or other USB-C enabled device.
- Your computer should recognize the connected device. You may need to select "File Transfer" or "MTP" mode on your device's notification panel to enable data access.

OPERATING INSTRUCTIONS

Once connected, the cable operates automatically for charging and data transfer. No additional software or drivers are typically required for standard operation.

- **Charging:** The cable will deliver power to your device based on the capabilities of both the power source and the device. For optimal charging speed, use a power adapter that supports the device's fast charging protocols.
- **Data Transfer:** When connected to a computer, you can access your device's storage to transfer files, photos, and

videos. The data transfer rate is up to 0.48 Gigabits Per Second (USB 3.1 standard).

MAINTENANCE

To ensure the longevity and optimal performance of your HUAWEI HL1289 USB Type C Cable, follow these maintenance guidelines:

- Handle with Care:** Avoid bending the cable sharply, especially near the connectors, as this can damage internal wires.
- Store Properly:** When not in use, coil the cable loosely. Avoid tangling or knotting the cable.
- Keep Clean:** Use a soft, dry cloth to wipe the cable and connectors if they become dirty. Do not use liquid cleaners or abrasive materials.
- Avoid Extreme Conditions:** Do not expose the cable to extreme temperatures, direct sunlight for prolonged periods, or excessive moisture. This cable is designed for indoor usage.
- Inspect Regularly:** Periodically check the cable and connectors for any signs of wear, fraying, or damage. Discontinue use if damage is observed.

TROUBLESHOOTING

If you encounter issues with your HUAWEI HL1289 USB Type C Cable, try the following troubleshooting steps:

Problem	Possible Cause	Solution
Device not charging.	Loose connection, faulty power source, incompatible device.	Ensure both ends of the cable are securely connected. Try a different power adapter or USB port. Test the cable with another compatible device.
Slow charging speed.	Power source does not support fast charging, device limitation, background apps.	Use a power adapter that supports your device's fast charging protocol. Close unnecessary background applications on your device. Ensure the cable is genuine and undamaged.
Data transfer not working.	Device not in data transfer mode, faulty USB port on computer, driver issues.	On your device, select "File Transfer" or "MTP" from the USB connection options in the notification panel. Try a different USB port on your computer. Ensure your computer has the necessary drivers for your device.
Cable appears damaged.	Physical wear and tear.	Discontinue use immediately to prevent potential damage to your devices. Replace the cable.

SPECIFICATIONS

Feature	Detail
Brand	HUAWEI
Model Number	HL1289-BP
Connector Type	USB Type C (Male-to-Male)
Cable Type	USB

Feature	Detail
Special Features	Data Transfer, Fast Charging
Compatible Devices	Smartphones (e.g., LG V, S9+, Samsung Galaxy S10, S9, S8, Note 8, LG V20, G5, G6)
Recommended Uses	Charging and data transfer for USB-C compatible devices
Color	White
Data Transfer Rate	0.48 Gigabits Per Second
Shape	Round
Number of Pins	24
Unit Count	2 Count
Item Weight	1.12 ounces (0.07 Pounds)
Indoor/Outdoor Usage	Indoor
Product Dimensions	0.94 x 2.68 x 3.78 inches (packaging)
GTIN	05055370934252
Date First Available	April 13, 2017

WARRANTY INFORMATION

HUAWEI products are manufactured to high quality standards. For specific warranty terms and conditions applicable to your region and purchase, please refer to the warranty card included with your product or visit the official HUAWEI support website. Typically, warranty covers defects in materials and workmanship under normal use.

SUPPORT

For further assistance, technical support, or inquiries regarding your HUAWEI HL1289 USB Type C Cable, please contact HUAWEI customer service through their official channels. You can typically find contact information on the HUAWEI official website or through the retailer where you purchased the product.

Please have your product model number (HL1289-BP) and proof of purchase ready when contacting support.
