IMPORTANT SAFETY INSTRUCTIONS

- Read all instructions before using this appliance.
- Do not use while bathing or showering.
- Always unplug the appliance from the electrical outlet immediately after using and before cleaning.
- Do not reach for an appliance that has fallen into water. Unplug it immediately.
- Do not operate under a blanket or pillow. Excessive heating can occur and cause fire, electric shock, or injury to persons.
- Close supervision is necessary when this appliance is used by, on, or near children, invalids, or disabled persons.
- Use this appliance only for its intended use as described in this manual. Do not use attachments not recommended by HoMedics.
- Never operate this appliance if it has a damaged cord or plug, if it is not working properly, if it has been dropped or damaged, or dropped into water. Return it to a HoMedics Service Center for examination and repair.
- Keep cord away from heated surfaces.
- Never drop or insert any object into any opening.
- Do not operate where aerosol (spray) products are being used or where oxygen is being administered.
- Do not carry this appliance by supply cord or use cord as a handle.

- To disconnect, turn all controls to the "OFF" position, then remove plug from outlet.
- This appliance is designed for household use only.
- Do not attempt to stand on the HoMedics Foot Spa. Use only while seated.
- Do not add any soap, oils, or other additives to the water as this may damage the unit.

PRODUCT FEATURES

- **Massaging Bubbles:** Invigorating water jets gently massage and soothe tired feet.
- **Heat Boost Power:** Quickly warms cold water and maintains a consistent warm temperature throughout your footbath.
- **Pedicure Center:** Includes three interchangeable attachments: a pumice stone, cleaning brush, and massage roller for comprehensive foot care.
- **Comfort Design:** Features an acu-node and comfort gel surface for cushioned support and additional massage during use.
- **Toe-Touch Control:** Conveniently adjust settings with your toes, eliminating the need to bend down.
- **Easy-Tote Handle:** Designed for effortless portability, making it easy to fill, move, and empty the foot spa.

SETUP

1. **Placement:** Place the HoMedics Shower Bliss Foot Spa on a flat, stable surface, preferably in a shower or near a drain to facilitate filling and emptying.
2. **Fill with Water:** Fill the foot spa with warm water up to the "MAX FILL" line indicated inside the basin. The Heat Boost Power feature will maintain and slightly increase the water temperature, but starting with warm water is recommended for immediate comfort.
3. **Power Connection:** Plug the appliance into a 120V AC electrical outlet. Ensure your hands are dry before plugging in the unit.
4. **Seating:** Sit comfortably in a chair before placing your feet into the foot spa. Do not stand in the unit.

easy-carry handle design

Ensures effortless
portability

OPERATION

1. **Activate Functions:** Use the toe-touch control buttons located on the front of the unit to activate the desired functions.
2. **Shower Massage & Heat:** Press the "SHOWER MASSAGE + HEAT" button to activate the shower massage water jets and the heat boost function. The water will begin to circulate and warm.
3. **Bubble Massage:** Press the "BUBBLE MASSAGE" button to activate the invigorating bubble massage.
4. **Combine Functions:** Both the shower massage/heat and bubble massage functions can be used independently or simultaneously for a customized experience.
5. **Relax:** Place your feet on the acu-node and comfort gel surface and enjoy the soothing sensations.

PEDICURE ATTACHMENTS

The foot spa includes a built-in pedicure center with three attachments to enhance your foot care routine:

- **Pumice Stone:** Use to gently smooth and soften calloused skin.
- **Cleaning Brush:** Ideal for cleaning and exfoliating the skin on your feet.
- **Massage Roller:** Provides additional targeted massage to specific areas of your feet.

To use, simply attach the desired tool to the central post in the foot spa. Gently rub your feet against the attachment for the intended effect.

3 pedicure attachments

Pumice stone, cleansing brush & massage roller for a spa-quality treatment at home

MAINTENANCE AND CLEANING

1. **After Use:** Always unplug the foot spa from the electrical outlet immediately after use.
2. **Empty Water:** Carefully pour out the water from the basin. Use the easy-tote handle for convenient transport to a sink or drain.
3. **Cleaning:** Wipe the unit with a soft, damp cloth. Do not use abrasive cleaners or harsh chemicals.
4. **Storage:** Store the foot spa in a cool, dry place. Do not hang the unit by the power cord.

TROUBLESHOOTING

If your HoMedics Shower Bliss Foot Spa is not functioning as expected, please refer to the following common issues:

- **No Power:** Ensure the unit is securely plugged into a working electrical outlet. Check if the outlet is receiving power.
- **No Bubbles/Massage:** Verify that the respective toe-touch control buttons are pressed and illuminated. Ensure the water level is appropriate.
- **Water Not Heating:** The Heat Boost Power maintains and slightly increases water temperature. For best results, start with warm water. If no heat is detected, ensure the "SHOWER MASSAGE + HEAT" button is activated.

If issues persist, discontinue use and contact HoMedics customer support.
