Artline ECO-GREEN Whiteboard Marker ARMKEK-527RE Instruction Manual

Model: **ARMKEK-527RE** | Brand: **Artline**

1. INTRODUCTION

The Artline ECO-GREEN Whiteboard Markers are designed for clear and efficient writing and drawing on whiteboards. This product features dry-safe, low-odor ink and is made with a commitment to environmental responsibility, utilizing 78% recycled material. This manual provides essential information for the proper use, care, and maintenance of your markers to ensure long-lasting performance.

2. PRODUCT FEATURES

- **Ideal Application:** Perfect for use in schools, colleges, universities, and office environments.
- **Whiteboard Compatibility:** Specifically designed for writing and drawing on whiteboards, offering easy erasability.
- **Smooth Writing:** Equipped with a durable polyester fiber bullet tip for a consistent and effortless writing experience.
- **Dry Safe Ink:** Features a low-odor, dry-safe ink formulation.
- **Extended Cap-Off Time:** The cap can be left off for up to 3 days without the ink drying out, ensuring readiness for use.
- **Eco-Friendly Design:** Manufactured using 78% recycled materials.
- **Refillable:** Designed to be refillable, extending product life and reducing waste.
- **Replaceable Nibs:** Spare nibs are available for purchase, allowing for continued optimal performance.

3. SETUP

1. **Unpacking:** Carefully remove the markers from their packaging.
2. **First Use:** Remove the cap from the marker. The marker is now ready for use.

4. OPERATING INSTRUCTIONS

1. **Writing:** Use the marker on a clean, dry whiteboard surface. Apply light to moderate pressure for best results.
2. **Erasing:** To erase, use a dedicated dry erase board eraser or a soft, dry cloth. Ensure the surface is completely dry before writing again.
3. **Recapping:** Always recap the marker immediately after use to prevent the ink from drying out and to prolong its lifespan.

Image 1: A single Artline ECO-GREEN whiteboard marker in red, with its cap detached, highlighting the bullet tip and the '2mm' marking on the cap.

5. MAINTENANCE

- **Storage:** Store markers horizontally when not in use. This helps to keep the ink evenly distributed to the nib.

- **Cleaning:** Keep the marker body clean. Avoid getting dirt or debris on the nib.
- **Refilling:** If your marker runs out of ink, it can be refilled. Refer to Artline's official refill instructions and use only compatible Artline refill ink for optimal performance and to avoid damage.
- **Nib Replacement:** If the nib becomes worn or damaged, it can be replaced. Consult Artline's official guidelines for replacing marker nibs and use only compatible Artline replacement nibs.

Image 2: The packaging box for Artline ECO-GREEN whiteboard markers. The blue box displays the brand name, 'ECO-GREEN Whiteboard Marker', 'DRY SAFE INK', and 'MADE FROM 78% RECYCLED MATERIAL'. Key features like 'Cap can be left off for 3 days without drying out', 'Refillable', and 'Spare nibs available' are also visible.

6. TROUBLESHOOTING

- **Marker not writing:**

- Ensure the cap was not left off for an extended period beyond 3 days.
 - Gently press the nib against a piece of scrap paper for a few seconds to prime the ink flow.
 - Check if the marker needs refilling or if the nib needs replacement.
- **Ink not erasing cleanly:**
 - Verify that the surface you are writing on is a genuine dry erase whiteboard. These markers are not intended for permanent surfaces.
 - Use a clean, dedicated dry erase board eraser. Old or dirty erasers can leave residue.
 - For stubborn marks, use a specialized whiteboard cleaner.

7. SPECIFICATIONS

Brand	Artline
Model Number	ARMKEK-527RE
Ink Color	Red
Quantity	12 pieces
Tip Size	2mm
Tip Type	Bullet
Ink Type	Dry Safe, Low Odor
Material	Polyester fiber tip, 78% recycled material
Target Audience	Adult
