Tvilum Homeline 8

Tvilum Homeline 8 Drawer Double Dresser User Manual

Model: Homeline 8

1. INTRODUCTION

This manual provides comprehensive instructions for the assembly, safe operation, and proper maintenance of your Tvilum Homeline 8 Drawer Double Dresser. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

2. SAFETY INFORMATION

Your safety is paramount. Follow these guidelines to prevent injury and damage to the product.

- **Anti-Tip Device:** Always secure the dresser to a wall using the provided anti-tip kit. Furniture tip-over can cause serious or fatal crushing injuries.
- **Assembly:** Assemble the dresser on a soft, clean surface to prevent scratches. Ensure all fasteners are tightened securely before use. Periodically check and re-tighten all fasteners.
- **Children:** Keep small parts and packaging materials away from children during assembly. Do not allow children to climb on or play with the dresser.
- **Weight Capacity:** Do not overload drawers. Distribute weight evenly. The top surface is not designed for heavy items that could cause instability.

3. PACKAGE CONTENTS

Before assembly, verify that all components are present and undamaged. If any parts are missing or damaged, do not proceed with assembly. Contact customer support for assistance.

- Dresser panels (top, bottom, sides, back)
- Drawer components (fronts, sides, backs, bottoms)
- Drawer slides and runners
- Handles and associated hardware
- Fasteners (screws, dowels, cam locks, etc.)
- Anti-tip safety kit
- Assembly instructions (this document)

4. ASSEMBLY AND SETUP

Assembly is required for this product. It is recommended that two adults perform the assembly. Tools required: Phillips head screwdriver, hammer (optional, for dowels).

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out on a clean, soft surface. Refer to the included parts list (if provided separately) to identify each piece.
2. **Assemble the Main Frame:** Follow the step-by-step diagrams to connect the side panels, bottom panel, and back panel. Ensure all cam locks and screws are securely fastened.
3. **Install Drawer Runners:** Attach the drawer runners to the inside of the dresser frame according to the diagrams. Ensure they are level and correctly oriented.
4. **Assemble Drawers:** Construct each of the eight drawers by attaching the side panels, back panel, and bottom panel to the drawer front. Install the drawer slides onto the assembled drawers.
5. **Insert Drawers:** Carefully slide each assembled drawer into its corresponding runners in the dresser frame. Test each drawer for smooth operation.
6. **Attach Handles:** Secure the metal handles to the front of each drawer using the provided screws.
7. **Install Anti-Tip Kit:** Position the dresser in its desired location. Attach the anti-tip bracket to the back of the dresser and to a wall stud using the provided hardware. This step is critical for safety.

5. OPERATING INSTRUCTIONS

The Tvilum Homeline 8 Drawer Double Dresser is designed for storing clothing and other household items.

- **Opening Drawers:** Gently pull the handle of the desired drawer to open it.
- **Closing Drawers:** Push the drawer firmly until it is fully closed and flush with the dresser frame.
- **Weight Distribution:** Distribute items evenly within the drawers. Avoid placing excessively heavy items in a single drawer or on the top surface to maintain stability and prevent damage.

6. MAINTENANCE AND CARE

Proper care will extend the life and appearance of your dresser.

- **Cleaning:** Wipe the surfaces with a dry cloth. For stubborn marks, a slightly damp cloth followed immediately by a dry cloth can be used. Avoid abrasive cleaners, harsh chemicals, or polishes that may damage the finish.
- **Fasteners:** Periodically check all screws, bolts, and cam locks to ensure they remain tight. Re-tighten as necessary.
- **Environment:** Avoid placing the dresser in direct sunlight or near heat sources, as this can cause fading or warping. Maintain a stable room temperature and humidity.
- **Spills:** Wipe up spills immediately to prevent moisture damage.

7. TROUBLESHOOTING

Refer to these common issues and solutions before contacting customer support.

- **Drawers do not slide smoothly:**

- Check that the drawer slides are correctly aligned and free of obstructions.
- Ensure all screws securing the slides to both the drawer and the frame are tight.
- Verify that the drawer is not overloaded or unevenly weighted.

- **Dresser wobbles or is unstable:**

- Ensure the dresser is placed on a level surface.
- Check all assembly fasteners throughout the dresser frame and re-tighten any loose connections.
- Confirm the anti-tip kit is properly installed and secured to the wall.

- **Gaps between panels:**

- Ensure all cam locks and screws are fully tightened.
- Verify that panels are correctly oriented and inserted into their designated slots.
