OPERATING THE PRINTER

Printing Functions

The HL-L2390DW offers various printing options to suit your needs:

- **Fast Printing:** Achieve print speeds of up to 32 pages per minute for efficient document output.
- **Automatic Duplex Printing:** Save paper by automatically printing on both sides of the page.
- **Mobile Device Printing:** Print directly from your smartphone or tablet using compatible apps like Brother iPrint&Scan, Apple AirPrint, or Google Cloud Print.
- **Manual Feed Slot:** Use the manual feed slot for specialty papers such as envelopes, card stock, or custom sizes.

Copying and Scanning Functions

The integrated flatbed scan glass allows for convenient copying and scanning of documents.

- **Flatbed Scan Glass:** Place documents directly on the glass for high-quality copies and scans.
- **Copy Options:** Adjust settings such as enlargement/reduction, contrast, and density directly from the printer's control panel.
- **Scan to Mobile/Cloud:** Scan documents directly to your mobile devices or cloud-based accounts.

MAINTENANCE

Proper maintenance ensures the longevity and optimal performance of your printer.

Toner and Drum Unit Replacement

Your printer uses a separate toner cartridge and drum unit. Replace them when indicated by the printer's display.

- **Toner Cartridge:** Use Brother Genuine high-yield replacement toner (TN-760) for lower print costs and up to 3,000 pages. Also compatible with TN-730 standard yield toner.
- **Drum Unit:** The DR730 drum unit has a yield of approximately 12,000 pages.
- **Amazon Dash Replenishment:** Upon activation, this service measures toner levels and automatically orders more from

Amazon when low, ensuring you never run out.

TROUBLESHOOTING

If you encounter issues with your printer, try the following common troubleshooting steps:

- **Connectivity Issues:** Ensure your printer is connected to the correct Wi-Fi network. Restart your printer and router.
- **Print Quality Problems:** Check toner and drum unit levels. Perform a test print to diagnose issues.
- **Paper Jams:** Follow the instructions on the printer's display to clear any jammed paper.

For more comprehensive troubleshooting, visit the official Brother support website or contact their customer service.
