### Key Features:

- **Efficient Cleaning Function:** Features a 6-minute UV cleaning cycle to sanitize toothbrushes.
- **Fan Drying:** Built-in fan for drying toothbrushes after use, helping to eliminate odors.
- **Universal Compatibility:** Suitable for most regular and electric toothbrushes (adults/kids).
- **5 Toothbrush Slots:** Provides organized storage for up to five toothbrushes.
- **Rechargeable:** Equipped with a built-in battery for cordless operation.
- **No Drilling Installation:** Easy wall-mounted installation without damaging surfaces.
- **Toothpaste Dispenser:** Integrated slot for a toothpaste tube.

## 2. SETUP AND INSTALLATION

---

Follow these steps for proper installation of your SARMO CARE B1001 Toothbrush Holder Cleaner:

1. **Clean and Dry the Wall:** Wipe the smooth wall surface with a wet cloth and ensure it is thoroughly dry. The product must be installed on a flat and smooth wall (e.g., ceramic, metal, or mirror) where the adhesive pads can dry completely.
2. **Apply Adhesive Hooks:** Stick the two adhesive hooks included in the package onto the cleaned wall surface.
3. **Prepare the Holder:** Uncover the protective film from the back of the toothbrush holder.
4. **Attach to Wall:** Stick the adhesive pads on the holder to the wall, compacting it firmly.
5. **Wait 24 Hours:** Allow 24 hours for the adhesive to set before hanging the toothbrush holder on the hooks.
6. **Place Toothbrushes and Toothpaste:** Once securely mounted, place your toothbrushes and toothpaste into the designated slots.

# INSTALLATION STEPS

1 Clean and dry the wall

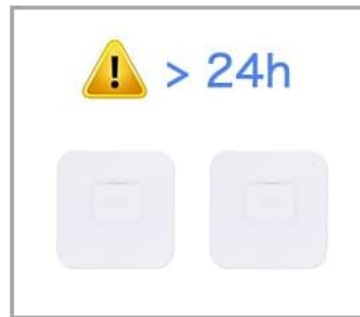

2 Two hooks are fixed at the two ends of the Backplane

3 Uncover the protective film

4 Stick adhesive pads to the wall and compact it.

5 Wait 24 hours

6 Place toothbrushes and toothpaste on it.

※The product must be installed on flat and smooth wall ,ceramic , metal or mirror, and ensure the place where it is installed and adhesive pads are dry.

### **3. OPERATING INSTRUCTIONS**

---

#### **3.1. Placing Toothbrushes**

The holder is designed to accommodate up to 5 toothbrushes. It is compatible with most types of toothbrushes, including both electric and manual models for adults and children. Ensure the toothbrush heads are positioned correctly within the slots for effective cleaning.

- **Suitable for most of regular and electric toothbrush (Except Oral-B 3D White Action Battery- Powered Toothbrush)**
- **Removable, washable and easy to disassemble**
