## Infantino 203-002

# Infantino 2-in-1 Sit, Spin & Stand Entertainer - Model 203-002 Instruction Manual

Your guide to safe and enjoyable use of your Infantino activity center.

## PRODUCT OVERVIEW

The Infantino 2-in-1 Sit, Spin & Stand Entertainer is designed to grow with your child, offering two primary modes of use: a sit-in entertainer for infants and a stand-up activity table for toddlers. It features a 360-degree rotating seat and six engaging, interactive toys to encourage exploration and developmental benefits.

## IMPORTANT SAFETY WARNINGS

**To prevent serious injury or death, adhere to the following conditions and guidelines:**

- Use product in entertainer mode only if the child meets all the following conditions: At least 4 months of age, can sit upright, is less than 30 inches tall, and weighs less than 25 lbs.
- **Fall Hazard:** Never use product near stairs or elevated surfaces. To avoid tip over, place product on a flat, level surface.
- Take care when placing child in product in Entertainer Mode. Make sure they are fully seated, and only their toes are touching the floor of the Entertainer. Refer to instructions for further details.
- Never adjust the height of the Entertainer with the child in the product.
- Make sure each locking mechanism is properly engaged, and each leg is on the same height setting before placing the child in the product.
- Inspect product before each use. Never use this product if any parts are missing, damaged, or broken.
- **Avoid Dangerous Conditions and Situations:** Never leave child unattended. Always keep child in

view.

- Strings can cause strangulation. Do not place items with a string around child's neck, such as hood strings or pacifier cords. Do not suspend strings over product or attach strings to toys.
- Never use near strong sources of heat.
- Do not allow other children to play near the product in Entertainer Mode when it is occupied by a child.
- Do not allow children who can stand or walk on their own to sit in the seat of the Entertainer.
- Keep children away from product while folding and unfolding.
- Adult assembly and supervision required.

## ASSEMBLY INSTRUCTIONS

Adult assembly is required for this product. While specific step-by-step instructions are not detailed here, ensure all components are securely fastened according to the included diagrams and instructions provided in the product packaging. Verify all locking mechanisms are engaged before use.

## OPERATING MODES AND FEATURES

This versatile product offers two main modes to adapt to your child's growth and developmental stages:

### 1. Sit, Spin & Explore Entertainer Mode

For infants who can sit upright (approximately 4 months and up, meeting height and weight requirements), the 360-degree rotating seat allows your baby to access all six engaging jungle-themed toys. These toys feature press-and-play lights, music, and additional sound effects to stimulate sensory and motor skills.

## 2 ways to use

1

Sit, spin & explore

2

Stand, play & pretend

### 2. Stand, Play & Pretend Activity Table Mode

Once your child begins walking (typically around 12 months and up), the entertainer easily converts into a stand-up activity table. The seat can be removed, and the base tray locks on top, providing a stable surface for continued play. The rolling toys can also detach for independent play.

### CLEANING AND MAINTENANCE

Regular cleaning ensures hygiene and extends the product's lifespan:

- The removable seat pad is machine washable for easy cleaning.
- Wipe down all plastic surfaces and toys with a damp cloth and mild soap. Avoid harsh chemicals.
- Ensure all parts are dry before reassembly or storage.
- Periodically check for loose or damaged parts and discontinue use if any are found.

## TROUBLESHOOTING

---

If you encounter any issues with your Infantino 2-in-1 Sit, Spin & Stand Entertainer, please refer to the following common solutions:

- **Toys not engaging:** Ensure toys are properly attached to their designated slots. Check for any obstructions.
- **Seat not spinning smoothly:** Verify the seat is correctly installed and free from debris underneath.
- **Height adjustment issues:** Make sure the locking mechanisms on the legs are fully disengaged before attempting to adjust height, and then fully engaged after adjustment.
- **Stability concerns:** Always place the product on a flat, level surface. Re-check all leg connections and ensure they are securely locked at the same height setting.
