Beurer PO60

Beurer Bluetooth Digital Fingertip Pulse Oximeter PO60 - User Manual

Brand: Beurer | Model: PO60

INTRODUCTION

The Beurer Bluetooth Digital Fingertip Pulse Oximeter, Model PO60, is designed for the precise measurement of arterial oxygen saturation (SpO2) and heart rate (pulse). This portable device is suitable for use at home or on the go, offering a convenient way to monitor key health metrics. Its compact design and Bluetooth connectivity allow for easy data transfer to the Beurer HealthCoach app for storage and evaluation of measured values.

WHAT'S INCLUDED

- 1 x Beurer Bluetooth Digital Fingertip Pulse Oximeter (PO60)
- 1 x Lanyard
- 1 x Protective Storage Bag
- 2 x AAA Batteries (included)
- 1 x Instruction Manual (PDF version available via link below)

SETUP GUIDE

1. Battery Installation

The device requires 2 AAA batteries, which are included. To install:

1. Locate the battery compartment cover on the back of the oximeter.
2. Slide the cover open.
3. Insert the 2 AAA batteries, ensuring correct polarity (+/-) as indicated inside the compartment.

4. Close the battery compartment cover securely.

Operating Instructions

To obtain accurate measurements:

1. Ensure your finger is clean and free of nail polish or artificial nails.
2. Open the clamp of the pulse oximeter.
3. Insert one of your fingers (preferably the index finger) into the opening until it reaches the stop. Ensure the finger is placed correctly.
4. Release the clamp.
5. Press the power button to turn on the device.
6. Keep your hand still during the measurement. The device will display your SpO2 and pulse rate readings within a few seconds.
7. The device features an automatic switch-off function when no finger is detected.

Determining arterial oxygen saturation (SpO2) and Heart rate (pulse frequency)

Display Features

- **Color LED Display:** Provides clear readings of oxygen saturation and pulse.
- **Automatic Screen Rotation:** The display orientation adjusts automatically for easy viewing from any direction.
- **Real-time Pulse Curve Display:** Visual representation of your pulse.

Video: This video provides a brief overview of the Beurer Bluetooth Pulse Oximeter PO60, highlighting its smart Bluetooth connectivity for wireless data transfer, color display with four display formats, suitability for individuals with heart failure, chronic obstructive pulmonary diseases, and bronchial asthma, and its ability to save up to 100 measurements. It also shows the device being stored securely in its belt pouch.

Key Features

- **Accurate Measurements:** German-engineered for accuracy, providing real-time pulse and oxygen data.
- **Portable Design:** Lightweight and easy to use, ideal for monitoring during exercise or at high altitudes.
- **Bluetooth Connectivity:** Seamlessly connects to the Beurer HealthCoach app for data transfer and tracking.
- **Memory Function:** Stores up to 100 oxygen and pulse measurements directly on the device.

- **Adjustable Display:** Bright color LED display with automatic screen rotation for clear viewing.
- **Included Accessories:** Comes with a lanyard and protective storage bag for convenience.

MAINTENANCE AND CARE

- **Cleaning:** Wipe the device with a soft, dry cloth. Do not use abrasive cleaners or immerse the device in water.
- **Storage:** Store the oximeter in its protective storage bag in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Replacement:** Replace batteries when the low battery indicator appears on the display. Remove batteries if the device will not be used for an extended period.

TROUBLESHOOTING

If you encounter issues with your Beurer PO60 Pulse Oximeter, please refer to the full user manual for detailed troubleshooting steps. Common issues may include incorrect readings due to improper finger placement, low battery, or movement during measurement. Ensure the device is clean and batteries are correctly installed.

WARRANTY AND SUPPORT

The Beurer PO60 Pulse Oximeter comes with a limited lifetime warranty. For warranty claims, technical support, or any product-related inquiries, please contact Beurer North America LP. Their contact information is:

1 Oakwood Boulevard, Suite 255,
Hollywood, FL 33020, USA.
