Blackweb BWA17AV010

Blackweb BWA17AV010 6-inch 4K HDMI Cable
USER MANUAL

1. Introduction

This manual provides essential information for the proper installation, operation, and maintenance of your Blackweb BWA17AV010 6-inch 4K HDMI Cable. This cable is designed to connect high-definition audio/video devices, supporting 4K resolution for superior picture and sound quality. Please read this manual thoroughly before use to ensure optimal performance and longevity of your product.

2. Safety Information

- **Handle with Care:** Avoid excessive bending, twisting, or pulling of the cable, which can damage internal wires and affect performance.

- **Environmental Conditions:** Do not expose the cable to extreme temperatures, direct sunlight, moisture, or corrosive environments. This cable is designed for indoor use.

- **Cleaning:** Disconnect the cable from all devices before cleaning. Use a soft, dry cloth to wipe the cable. Do not use liquid cleaners or solvents.

- **Children and Pets:** Keep the cable out of reach of children and pets to prevent accidental damage or injury.

3. Package Contents

- 1 x Blackweb BWA17AV010 6-inch 4K HDMI Cable

4. Setup

Follow these steps to connect your Blackweb 4K HDMI Cable:

1. **Identify Ports:** Locate the HDMI output port on your source device (e.g., Blu-ray player, game console, computer) and the HDMI input port on your display device (e.g., TV, monitor, projector).

2. **Connect Source:** Gently insert one end of the Blackweb HDMI cable into the HDMI output port of your source device. Ensure the connection is firm and secure.

3. **Connect Display:** Gently insert the other end of the Blackweb HDMI cable into the HDMI input port of your display device. Ensure the connection is firm and secure.

4. **Power On:** Power on both your source device and your display device.

5. Operating

Once the cable is connected, follow these steps to ensure proper operation:

1. **Select Input:** On your display device, use the remote control or on-screen menu to select the correct HDMI input source that corresponds to the port where the cable is connected.

2. **Verify Signal:** Confirm that the audio and video signal from your source device is now displayed on your screen.

3. **4K Resolution:** If your source and display devices support 4K resolution, ensure that the settings on both devices are configured to output and receive 4K signals for optimal picture quality.

6. Maintenance

Proper care will extend the life of your HDMI cable:

- **Cleaning:** Keep the connectors free of dust and debris. Use a dry, lint-free cloth to gently wipe the connectors if needed. Avoid using water or cleaning solutions.

- **Storage:** When not in use, store the cable in a cool, dry place, away from direct sunlight and extreme temperatures. Avoid tightly coiling the cable to prevent internal damage.

- **Handling:** Always grasp the connector ends when plugging or unplugging the cable. Do not pull on the cable itself.

7. Troubleshooting

If you encounter issues, try the following solutions:

- **No Picture or Sound:**
  - Ensure both ends of the HDMI cable are securely connected to the correct ports.

- Verify that your display device is set to the correct HDMI input source.
- Check if both your source and display devices are powered on.
- Try connecting the cable to different HDMI ports on your devices, if available.
- Test with another known working HDMI cable to rule out device issues.

- **Poor Picture Quality (e.g., flickering, pixelation):**
  - Ensure connections are secure. A loose connection can cause signal degradation.
  - Check the resolution settings on your source device to ensure it is compatible with your display.
  - Inspect the cable for any visible damage or kinks.

- **No Audio:**
  - Verify that the audio settings on your source device and display are correctly configured.
  - Ensure the display's volume is not muted or set too low.

8. Specifications

Feature	Description
Brand	Blackweb
Connector Type	HDMI
Cable Type	HDMI
Compatible Devices	TVs, Monitors, Projectors, Audio-Video Receivers
Special Feature	Braided
Recommended Uses For Product	Connecting high-definition A/V devices
Color	Black
Connector Gender	Male-to-Male
Shape	Round
Number of Pins	19
Unit Count	1 Count
Item Weight	8 ounces (0.5 Pounds)
Indoor/Outdoor Usage	Indoor
Number of Items	1
Customer Package Type	Standard Packaging
Manufacturer	Blackweb
UPC	681131159401
Product Dimensions	6.7 x 2.3 x 0.5 inches

9. Warranty and Support

For warranty information and customer support, please refer to the packaging or visit the official Blackweb website. Keep your purchase receipt as proof of purchase for any warranty claims.
