## SETUP

### Battery Installation

The FurReal ROARIN' Tyler The Playful Tiger requires batteries for operation. Batteries are not included.

1. Locate the battery compartment on the underside of the tiger.
2. Using a Phillips head screwdriver, open the battery compartment cover.
3. Insert the required batteries (Type C and AA, as specified in the product details) ensuring correct polarity (+/-).
4. Securely close the battery compartment cover with the screwdriver.
5. Turn the power switch to the 'ON' position to activate the tiger.

## OPERATING INSTRUCTIONS

ROARIN' Tyler is designed to respond to sounds and touch with over 100 sound and motion combinations. Here's how to interact with your Playful Tiger:

### Interaction Modes:

- **Roaring Response:** Make a sound or roar at Tyler, and it will roar back.
- **Touch Interaction:**
  - Pet its head, and its eyes may close.
  - Stroke its muzzle, and it will move.
  - Pet its back for purring sounds and movements.
- **Play Toy Interaction:** Offer Tyler its small chicken toy, and it will respond with playful sounds and movements.
- **Huggable Poses:** Tyler features articulated rear legs, allowing it to be posed for cuddling.
