

## HOMCOM 836-027CF

# HOMCOM Mobile Storage Cabinet and Printer Stand

Model: 836-027CF

## 1. INTRODUCTION

Thank you for choosing the HOMCOM Mobile Storage Cabinet and Printer Stand. This versatile unit is designed to enhance your office or home workspace with its compact size, ample storage, and convenient mobility. Featuring a top shelf, a spacious drawer, and a lower cabinet, it provides organized storage for various office supplies. Its wheeled design allows for easy repositioning, while two locking casters ensure stability when needed. Please read this manual thoroughly before assembly and use to ensure proper function and longevity of your product.

## 2. SAFETY INFORMATION

Please observe the following safety guidelines to prevent injury or damage to the product:

- Always use the cabinet on a flat, stable surface to prevent tipping.
- Keep the cabinet away from heat sources and direct sunlight to prevent material degradation.
- Never place heavy objects on the top shelf that exceed the specified weight capacity of 55 lbs (25 kg).
- Be cautious when opening and closing drawers and cabinet doors to avoid pinching fingers.
- Always engage the brakes on the casters when the cabinet is stationary to prevent unintended movement.
- Ensure all screws and fasteners are securely tightened during assembly and periodically check for looseness.
- This product is not designed for children to climb on or play with.

## 3. PACKAGE CONTENTS

Before beginning assembly, please verify that all components and hardware are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Cabinet Panels (Top, Bottom, Sides, Back, Shelf)
- Drawer Front, Sides, and Bottom
- Cabinet Door
- Casters (4 units, 2 with brakes)
- Drawer Glides
- Handles (2 units)
- Hinges
- Assembly Hardware (screws, dowels, cam locks, etc.)

## 4. ASSEMBLY INSTRUCTIONS

---

Assembly is required for this product. Please follow the provided instructions carefully. It is recommended to have a second person for assistance during certain steps.

1. **Prepare the Workspace:** Clear a spacious, clean, and flat area for assembly. Lay out all components and hardware.
2. **Attach Casters:** Secure the four casters to the bottom panel of the cabinet using the provided screws. Ensure the two locking casters are positioned at the front for easy access.
3. **Assemble Side Panels:** Attach the side panels to the bottom panel using dowels and cam locks.
4. **Install Drawer Glides:** Mount the drawer glides to the interior side panels according to the instructions. Pay close attention to the orientation of the glides.
5. **Assemble Drawer:** Construct the drawer box by attaching the sides and bottom to the drawer front. Install the drawer handles.
6. **Insert Drawer:** Carefully slide the assembled drawer onto the installed glides.
7. **Install Shelf:** Secure the middle shelf panel into place using the designated hardware.
8. **Attach Cabinet Door:** Mount the hinges to the cabinet door and then attach the door to the cabinet frame. Adjust hinges for proper alignment.
9. **Attach Top Panel:** Place the top panel onto the assembled structure and secure it with the remaining hardware.
10. **Final Checks:** Ensure all connections are tight and the cabinet is stable. Test the drawer and door for smooth operation.

## 5. USAGE

---

The HOMCOM Mobile Storage Cabinet is designed for versatile use in various settings:

- **Printer Stand:** The sturdy tabletop is ideal for holding most standard printers, freeing up valuable desk space.
- **Open Storage Shelf:** Use the open shelf for frequently accessed items such as paper reams, small books, or decorative items.
- **Drawer Storage:** The pull-out drawer provides concealed storage for office supplies, stationery, or personal items.
- **Lower Cabinet:** The enclosed cabinet offers additional storage for larger items, binders, or other office essentials.
- **Mobility:** Utilize the four omnidirectional wheels to easily move the cabinet around your workspace. Engage the two locking brakes when the cabinet is in its desired position to prevent movement.
- **Under-Desk Fit:** Its compact dimensions allow it to fit conveniently under most standard desks, providing discreet storage.

## Spacious Tabletop

## 6. MAINTENANCE

---

To maintain the appearance and functionality of your storage cabinet, follow these simple maintenance tips:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the melamine finish.
- **Dusting:** Regularly dust the cabinet to prevent buildup.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten if necessary to maintain structural integrity.
- **Caster Care:** Keep casters free of debris (hair, dust, etc.) to ensure smooth rolling. Lubricate if necessary.
- **Avoid Overloading:** Do not exceed the specified weight capacity for any part of the cabinet to prevent damage.

## 7. TROUBLESHOOTING

---

If you encounter any issues with your HOMCOM Mobile Storage Cabinet, refer to the following common problems and solutions:

- **Problem:** Drawers or cabinet door do not open/close smoothly.  
**Solution:** Check that the drawer glides and hinges are correctly installed and free of obstructions. Ensure all assembly screws are tightened. Adjust hinges if necessary.
- **Problem:** Cabinet wobbles or is unstable.  
**Solution:** Verify that the cabinet is on a flat, level surface. Check all assembly connections and tighten any loose screws.
- **Problem:** Casters are not rolling smoothly or locking.  
**Solution:** Clean any debris from the caster wheels. Ensure the locking mechanism is fully engaged or disengaged. If a caster is damaged, it may need replacement.
- **Problem:** Missing parts or damaged components upon arrival.  
**Solution:** Do not proceed with assembly. Contact HOMCOM customer support immediately for assistance and replacement parts.
