## STAPLES Hyken

# STAPLES Hyken Ergonomic Office Chair Instruction Manual

Model: Hyken (Staples 2257054)

Brand: STAPLES

## INTRODUCTION

Thank you for choosing the STAPLES Hyken Ergonomic Office Chair. This manual provides essential information for the proper assembly, operation, and maintenance of your new chair. Designed for all-day comfort and support, the Hyken chair features adjustable components and breathable mesh to enhance your workspace experience.

## SAFETY INFORMATION

- Read all instructions carefully before assembly and use.
- Ensure all bolts and screws are securely tightened before using the chair. Periodically check and re-tighten as needed.
- Do not stand on the chair or use it as a step stool.
- Do not use the chair if any parts are missing, damaged, or worn. Contact customer support for replacement parts.
- Keep children away from moving parts during adjustment.
- Maximum weight recommendation: 275 pounds. Do not exceed this limit.

## SETUP AND ASSEMBLY

The STAPLES Hyken Ergonomic Office Chair requires assembly. All necessary hardware and tools are included. Follow the visual instructions provided in the packaging for a smooth assembly process. It is recommended to have a second person assist with assembly for certain steps.

## OPERATING INSTRUCTIONS AND ADJUSTMENTS

---

The STAPLES Hyken chair offers multiple adjustment options to customize your seating experience for optimal comfort and ergonomic support.

### 1. Seat Height Adjustment

- Locate the lever on the right side, under the seat.
- To raise the seat: Lift the lever while taking your weight off the seat. The seat will rise automatically.
- To lower the seat: Lift the lever while seated. The seat will lower under your weight.
- Release the lever to lock the seat at the desired height.

Image: Close-up of the chair's base, showing the lever for seat height adjustment. This allows users to easily modify the seat's elevation for proper desk configuration.

### 2. Armrest Adjustment

- Press the button located on the side of each armrest support.
- While holding the button, move the armrest up or down to your preferred height.
- Release the button to lock the armrest in place.

# Customize your comfort

**Adjustable Height**

**Adjustable Arm Rests**

**Adjustable Recline**  
(Resistance & Lock)

## 3. Reclining and Tilt Adjustment

- The chair features a tilt mechanism allowing you to recline.
- Use the tension knob located under the seat to adjust the recline resistance. Turn clockwise for more resistance, counter-clockwise for less.
- A separate lever (often on the left side) can be used to lock the chair in an upright position or allow it to recline freely.

## 4. Lumbar Support Adjustment

- The chair includes adjustable lumbar support.
- Gently push or pull the lumbar support mechanism on the backrest to find your preferred position for lower back comfort.

# Comfort all day long

Breathable  
Mesh Material

Ergonomic  
Support

Supports up  
to 250 lbs

Caster  
Wheels

## 5. Headrest Adjustment

- The headrest can be adjusted for height and angle.
- Gently push or pull the headrest to adjust its height and tilt to support your neck and head comfortably.

## MAINTENANCE

- **Product Care Instructions:** Spot Clean.
- Regularly inspect all bolts and screws to ensure they are tight.
- Clean the mesh material with a damp cloth and mild soap. Avoid harsh chemicals.
- Check casters periodically for debris and clean as necessary to ensure smooth rolling.

## TROUBLESHOOTING

- **Chair not adjusting height:** Ensure the height adjustment lever is fully engaged and the gas lift cylinder is functioning

correctly. Check for any obstructions.

- **Chair squeaks or wobbles:** Check all assembly bolts and screws and tighten them. Apply a small amount of lubricant to moving parts if necessary.
- **Casters not rolling smoothly:** Inspect casters for hair, dust, or other debris. Clean them thoroughly.
- For further assistance, please contact STAPLES customer support.
