Peppa Pig LED Night Light Instruction Manual

Model: 639277466600

INTRODUCTION

Thank you for purchasing the Peppa Pig LED Night Light. This manual provides important information regarding the safe and proper use, installation, and maintenance of your night light. Please read it thoroughly before use and retain it for future reference.

SAFETY INFORMATION

WARNING: Risk of Electric Shock and Fire Hazard.

- This product is not a toy and is not intended for use by children. For adult use only.
- For safe use, plug only into exposed wall outlets where a device is ventilated and cannot contact bed covering or other material.
- Do not use with extension cords.
- This night light uses a 0.3 watt, 120 volt LED bulb. The light is not replaceable.

Always ensure the night light is securely plugged into a standard 120V AC outlet.

OPERATING INSTRUCTIONS

The Peppa Pig LED Night Light is designed for simple operation.

- Automatic Operation:** The night light features a light sensor that automatically turns the light on when the room is dark and off when the room is sufficiently lit.
- Rotary Shade:** The rotary shade can be turned completely around to direct light where desired.

MAINTENANCE

- Cleaning:** To clean the night light, unplug it from the wall outlet. Wipe the surface with a soft, dry cloth. Do not use abrasive cleaners or immerse the unit in water.
- Bulb Replacement:** The LED light source in this night light is not designed to be replaceable. If the light stops functioning, the entire unit should be replaced.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Night light does not turn on.	No power to the outlet. Room is too bright. Unit is faulty.	Check the wall outlet with another device. Ensure the room is dark enough for the light sensor to activate. Replace the unit if it remains unresponsive.
Light is too dim or flickers.	Unit is faulty.	Replace the unit. The LED bulb is not replaceable.
