1. OVERVIEW

This manual provides instructions for the proper installation, use, and care of your Hillman 840205 Vinyl "This Door Must Remain Unlocked During Business Hours" Sign. This product is designed to clearly communicate door access status during business hours.

THIS DOOR MUST REMAIN UNLOCKED DURING BUSINESS HOURS

THIS DOOR MUST REMAIN UNLOCKED DURING BUSINESS HOURS

Figure 1: Hillman 840205 Vinyl Sign. This image shows the rectangular vinyl sign with the text "THIS DOOR MUST REMAIN UNLOCKED DURING BUSINESS HOURS" printed clearly in black on a white background.

2. SETUP & INSTALLATION

The Hillman 840205 sign is designed for easy door mounting using its adhesive backing. Follow these steps for optimal adhesion and longevity.

- 1. Prepare the Surface:** Ensure the door surface where the sign will be applied is clean, dry, and free of dust, grease, or debris. Use a mild cleaner if necessary, and allow the surface to dry completely.
- 2. Position the Sign:** Carefully hold the sign against the desired location on the door to determine the exact placement. Mark the position lightly with a pencil if needed.
- 3. Apply the Sign:**
 - Peel off a small portion of the protective backing from one end of the sign.
 - Align the exposed adhesive edge with your marked position on the door.
 - Slowly and carefully peel away the rest of the backing while simultaneously pressing the sign firmly onto the door surface, working from one end to the other. This helps prevent air bubbles.
 - Smooth out any air bubbles by gently pressing them towards the edges of the sign.

4. **Final Adhesion:** Apply firm, even pressure across the entire sign for a few seconds to ensure strong adhesion.

For best results, install in moderate temperatures and avoid repositioning the sign once applied, as this may weaken the adhesive.

3. OPERATION

The Hillman 840205 sign functions as a clear visual indicator. Once installed, it serves its purpose by displaying the message: "THIS DOOR MUST REMAIN UNLOCKED DURING BUSINESS HOURS." No further operational steps are required.

- Ensure the sign is visible and unobstructed to all individuals who need to observe its message.
- Periodically check that the sign remains securely attached and legible.

4. MAINTENANCE

To ensure the longevity and readability of your vinyl sign, follow these simple maintenance guidelines:

- **Cleaning:** Clean the sign periodically with a soft, damp cloth. Use mild soap and water if necessary. Avoid abrasive cleaners, solvents, or harsh chemicals, as these can damage the vinyl material and printed text.
- **Inspection:** Regularly inspect the sign for any signs of wear, peeling, or damage. While designed to withstand weather and elements, extreme conditions over time may affect its appearance.
- **Adhesion Check:** Occasionally press firmly along the edges and surface of the sign to ensure the adhesive remains strong and the sign is securely attached.

5. TROUBLESHOOTING

This section addresses common issues you might encounter with your vinyl sign.

Problem	Possible Cause	Solution
Sign is peeling or not adhering properly.	• Surface was not clean or dry during installation. • Surface is textured or porous. • Extreme temperature fluctuations.	• Ensure surface is thoroughly cleaned and dried before application. • For minor peeling, try applying additional firm pressure. • If peeling is significant, the sign may need to be replaced.
Text is fading or becoming illegible.	• Prolonged exposure to direct sunlight or harsh weather. • Use of abrasive cleaners.	• Ensure proper cleaning methods are followed (see Maintenance section). • If fading is severe, the sign may need replacement to maintain clear communication.
Air bubbles under the sign.	• Sign applied too quickly or unevenly.	• For small bubbles, gently press them towards the nearest edge with a soft cloth. • For stubborn bubbles, a very fine needle can be used to puncture the bubble and then smooth it down, but this may affect the sign's integrity.

6. SPECIFICATIONS

Brand:	Hillman
Model Number:	840205
Product Dimensions:	1.5"L x 28"W (3.8 cm L x 71.1 cm W)

Material:	Vinyl
Mounting Type:	Door Mount (Adhesive)
Item Weight:	0.02 Kilograms (approx. 0.04 lbs)
Number of Pieces:	2 (in a 2-Pack)
UPC:	008236581515
Pre-printed Text:	"THIS DOOR MUST REMAIN UNLOCKED DURING BUSINESS HOURS"
