Harman Kardon Allure

Harman Kardon Allure Voice-Activated Home Speaker User Manual

MODEL: ALLURE

Brand: Harman Kardon

1. Introduction

The Harman Kardon Allure is a voice-activated speaker powered by Amazon Alexa voice service, presented in a beautifully crafted design. Its built-in 4-microphone array enables far-field voice recognition, allowing Allure to hear your commands from across the room. With dual-band Wi-Fi connectivity, you can access Alexa voice service to ask questions, play music, place orders, control your smart home devices, and much more. Experience immersive 360-degree sound that fills any room, complemented by deep, rich bass from the integrated subwoofer. The speaker's responsive 360-degree lighting animates its semi-transparent body, adding a stunning design element to your home. Additionally, you can stream your favorite music directly from your mobile device via Bluetooth.

2. What's in the Box

Upon unboxing your Harman Kardon Allure, please ensure all the following components are present:

- Harman Kardon Allure Speaker
- Power Supply
- Quick-start guide
- Safety & Warranty Sheet

The Harman Kardon Allure speaker and its included power supply.

3. Setup

Follow these steps to set up your Harman Kardon Allure speaker:

1. **Power Connection:** Connect the provided power supply to the speaker and then plug it into a wall outlet. The speaker will power on automatically.
2. **Download Alexa App:** Download the Amazon Alexa app on your smartphone or tablet from your device's app store.

3. **Follow In-App Instructions:** Open the Alexa app and follow the on-screen instructions to connect your Harman Kardon Allure to your Wi-Fi network and link your Amazon account. This process will enable Alexa voice services on your speaker.
4. **Placement:** Place the speaker in a central location in your room for optimal 360-degree sound distribution and far-field voice recognition.

4. Operating Instructions

4.1 Voice Control with Amazon Alexa

The Harman Kardon Allure is fully integrated with Amazon Alexa. Simply say "Alexa" followed by your command. The 360-degree lighting will illuminate to indicate that Alexa is listening.

- **Play Music:** "Alexa, play jazz music."
- **Set Reminders:** "Alexa, set a reminder for 6 PM to call mom."
- **Ask Questions:** "Alexa, what's the weather like today?"
- **Control Smart Home:** "Alexa, dim the living room lights."
- **Set Timers:** "Alexa, set a timer for 30 minutes."

4.2 Bluetooth Streaming

You can stream audio directly from your mobile device to the Allure speaker via Bluetooth.

1. **Enable Bluetooth:** Say "Alexa, turn on Bluetooth" or press and hold the Bluetooth button on the top of the speaker until the light ring turns blue and pulses.
2. **Pair Device:** On your mobile device, go to Bluetooth settings and select "Harman Kardon Allure" from the list of available devices.
3. **Start Streaming:** Once paired, you can play audio from your device, and it will stream through the Allure speaker.

7. Troubleshooting

If you encounter issues with your Harman Kardon Allure, try the following common troubleshooting steps:

- **No Power:** Ensure the power adapter is securely connected to both the speaker and a working electrical outlet.
- **No Sound:** Check the volume level on both the speaker and your connected device. Ensure the speaker is not muted.
- **Alexa Not Responding:** Verify that the speaker is connected to Wi-Fi and that your internet connection is stable. Ensure the microphone is not muted (check the microphone button on top of the speaker).

- **Bluetooth Pairing Issues:** Make sure the speaker is in Bluetooth pairing mode. Forget the device from your mobile device's Bluetooth settings and try pairing again. Ensure no other devices are currently connected to the speaker via Bluetooth.
- **Poor Sound Quality:** Try moving the speaker to a different location to avoid interference. Ensure your audio source is of good quality.
- **Factory Reset:** If problems persist, consult the full user manual for instructions on how to perform a factory reset. This will clear all settings and return the speaker to its default state.

8. Maintenance

To ensure the longevity and optimal performance of your Harman Kardon Allure speaker, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to wipe the exterior of the speaker. Do not use liquid cleaners or abrasive materials, as they may damage the finish.
- **Placement:** Avoid placing the speaker in direct sunlight, near heat sources, or in areas with high humidity. Ensure adequate ventilation around the speaker.
- **Handling:** Handle the speaker with care. Avoid dropping it or subjecting it to strong impacts.
- **Storage:** If storing the speaker for an extended period, disconnect it from power and store it in a cool, dry place.

9. Warranty and Support

For detailed warranty information, technical support, or further assistance, please refer to the official Harman Kardon resources:

- **Full User Manual (PDF):** For comprehensive instructions and detailed information, please download the official user manual: [Download User Manual](#)
- **Online Support:** Visit the Harman Kardon official website for FAQs, support articles, and contact information.
