Setup and First Use

1. **Unpack:** Carefully remove the HEETA Scalp Massager from its packaging.
2. **Inspect:** Check the massager for any signs of damage or manufacturing defects.
3. **Clean:** Before first use, rinse the massager thoroughly with warm water and a mild soap. Allow it to air dry completely.

Operating Instructions

The HEETA Scalp Massager is versatile and can be used in various ways to improve your scalp and hair health.

1. Wet Use (During Shampooing)

- Wet your hair and apply your preferred shampoo.

- Place the massager on your scalp, inserting your fingers through the ergonomic handle for a secure grip.
- Gently move the massager in small circular motions across your entire scalp. Apply light to medium pressure.
- Continue for 2-3 minutes to distribute shampoo, create lather, and exfoliate the scalp.
- Rinse your hair and the massager thoroughly after use.

2. Dry Use (Scalp Massage & Oil Application)

- For relaxation, use the massager on dry hair. Gently move it in circular motions across your scalp.
- When applying hair oils or serums, dispense the product onto your scalp.
- Use the massager to gently work the oil into your scalp, ensuring even distribution and improved absorption.
- The wide silicone bristles are designed not to pull or tangle hair, making it suitable for all hair types, including thick, thin, curly, and straight hair.

Maintenance and Care

- **Cleaning:** After each use, rinse the massager thoroughly under running water to remove any shampoo, conditioner, or hair product residue.
- **Drying:** Shake off excess water and allow the massager to air dry completely before storing. The waterproof design ensures easy cleaning.
- **Storage:** Store the massager in a clean, dry place. The integrated loop allows for convenient hanging in your shower.

Troubleshooting

- **Hair Tangles:** If hair tangles during use, reduce pressure and ensure you are moving the massager in small, gentle circular motions, rather than dragging it through the hair.
- **Insufficient Lather:** Ensure your hair is thoroughly wet and you have applied enough shampoo before using the massager.
- **Discomfort:** If you experience any discomfort, reduce pressure or discontinue use. Consult a healthcare professional if irritation persists.
