PlanToys 3485

PlanToys Wooden Tool Set (Model 3485) Instruction Manual

Model: 3485

1. Introduction

The PlanToys Wooden Tool Set is designed to introduce children to the world of building and fixing through imaginative play. This set encourages the development of coordination, focus, and creativity in toddlers. Crafted from sustainably harvested rubberwood and finished with non-toxic, water-based dyes, it supports Montessori principles of hands-on learning and self-reliance.

2. Safety Information

WARNING: Not suitable for children under 3 years old.

- Always supervise children during play.
- Inspect all components regularly for wear or damage. Discontinue use if any part is broken.
- Keep small parts away from children under 3 years to prevent choking hazards.
- This product is made from non-toxic, water-based dyes and sustainable materials, ensuring safe play.

3. What's Included

The PlanToys Wooden Tool Set includes the following items:

- 1 x Fabric Tool Belt
- 1 x Wooden Hammer

- 1 x Wooden Wrench
- 1 x Wooden Screwdriver
- 1 x Wooden Ruler (with level indicator)
- 1 x Wooden Bolt with two nuts (orange and yellow)

4. Setup and Assembly

Follow these steps to prepare the tool set for play:

1. Remove all tool set components from their packaging.
2. Place the wooden tools (hammer, wrench, screwdriver, ruler, and bolt) into the designated loops and pouches on

the fabric tool belt.

3. Attach the tool belt around the child's waist, adjusting the length of the strap for a comfortable and secure fit using the buckle.
4. Ensure all tools are securely placed in the belt before active play.

5. Operating Instructions

The PlanToys Wooden Tool Set encourages open-ended imaginative play. Here are some ways children can interact with the tools:

- **Hammer:** Use the hammer to pretend to tap or fix objects. The design allows for safe, gentle play.
- **Wrench:** The wrench can be used to 'tighten' or 'loosen' the included wooden bolt and nuts, promoting fine motor skills.
- **Screwdriver:** Engage with the wooden bolt and nuts using the screwdriver to practice twisting motions.
- **Ruler:** The ruler can be used for pretend measuring, fostering early mathematical concepts and spatial awareness. It also includes a small level indicator for added realism.
- **Bolt and Nuts:** Practice screwing and unscrewing the nuts onto the bolt using fingers or the wrench/screwdriver. This activity enhances hand-eye coordination and dexterity.

6. Maintenance and Care

To ensure the longevity and hygiene of your PlanToys Wooden Tool Set:

- Wipe the wooden tools and fabric belt with a damp cloth as needed.
- Avoid soaking the wooden parts in water, as this can cause swelling or damage.
- Do not use harsh cleaning agents or abrasive materials.
- Store the tool set in a dry place away from direct sunlight to prevent fading or warping.

7. Troubleshooting

This is a simple wooden toy set, and common issues are minimal. If you encounter any problems:

- **Loose or Damaged Parts:** If any wooden part becomes loose or damaged, discontinue use immediately to prevent injury.
- **Belt Adjustment:** If the belt does not fit comfortably, re-adjust the buckle to find the appropriate length for the child.
