## Rastar 762 74920

# Rastar Mercedes-Benz Actros RC Truck and Car Set

## INSTRUCTION MANUAL - MODEL 762 74920

### 1. SAFETY WARNINGS

Please read all safety warnings and instructions before operating the product. Failure to follow these instructions may result in injury or damage.

- **Age Recommendation:** This product is recommended for ages 10 years and up. It is not suitable for children under 5 years due to small parts.
- **Battery Safety:** Use only recommended batteries. Do not mix old and new batteries, or different types of batteries. Insert batteries with correct polarity. Remove batteries if the product will not be used for an extended period. Do not attempt to recharge non-rechargeable batteries.
- **Choking Hazard:** Keep small parts away from young children.
- **Operating Environment:** Operate the vehicle in a safe, open area, away from people, pets, and obstacles. Avoid operating near water, heat sources, or electrical outlets.
- **Adult Supervision:** Adult supervision is recommended during operation, especially for younger users.
- **Cleaning:** Do not immerse the vehicle or remote control in water. Clean with a damp cloth only.

### 2. PRODUCT OVERVIEW

#### 2.1 Components

The Rastar Mercedes-Benz Actros RC Truck and Car Set typically includes the following:

- Mercedes-Benz Actros RC Truck
- Mercedes-Benz AMG GT Die-cast Car (load)
- Remote Control
- Rechargeable Battery Pack for Truck (if applicable)
- USB Charging Cable (if applicable)

**Figure 1:** Overview of the Rastar Mercedes-Benz Actros RC Truck, Mercedes-Benz AMG GT Car, and the included Remote Control. The truck is red with a black chassis, and the car is also red.

### 3. SETUP

#### 3.1 Battery Installation

- Remote Control:** Locate the battery compartment on the back of the remote control. Open the cover. Insert 2 x AA batteries (not included) ensuring correct polarity (+/-). Close the cover.
- RC Truck:** Locate the battery compartment on the underside of the truck. Open the cover. Connect the rechargeable battery pack (if included) to the truck's connector, ensuring correct polarity. Place the battery pack inside the compartment and close the cover. If non-rechargeable batteries are used, insert 4 x AA batteries (not included) with correct polarity.

#### 3.2 Charging the Truck Battery (if applicable)

If your truck uses a rechargeable battery pack:

1. Remove the battery pack from the truck.
2. Connect the battery pack to the USB charging cable.
3. Plug the USB charging cable into a standard USB power adapter (e.g., computer USB port, phone charger).
4. The charging indicator light on the cable will show the charging status (refer to charger instructions for specific light behavior).
5. Once fully charged, disconnect the battery pack and reinstall it into the truck.

**Figure 2:** The RC truck with the car loaded, remote control, and the rechargeable battery pack with its USB charging cable, illustrating the components involved in setup.

## 4. OPERATING INSTRUCTIONS

---

### 4.1 Power On/Off

- Turn on the RC truck using the ON/OFF switch located on its underside.
- Turn on the remote control using its ON/OFF switch.
- The remote control and truck should automatically pair. If not, turn both off and on again.

### 4.2 Remote Control Functions

The remote control typically features:

- **Forward/Backward Lever:** Push forward to move the truck forward, pull back to move backward.
- **Left/Right Steering Wheel/Buttons:** Turn the wheel or press buttons to steer the truck left or right.

### 4.3 Driving the RC Truck

1. Place the truck on a flat, clear surface.
2. Use the remote control to drive the truck. Start slowly to get accustomed to the controls.
3. Practice steering and maneuvering in an open space.

### 4.4 Loading and Unloading the Die-cast Car

The Mercedes-Benz AMG GT die-cast car can be loaded onto the truck's trailer.

1. Ensure the truck is stationary and powered off.
2. Carefully extend the ramp at the rear of the trailer (if applicable).
3. Gently roll or place the die-cast car onto the trailer, ensuring it is centered and stable.
4. Retract the ramp (if applicable) to secure the car for transport.

**Figure 3:** The RC truck's trailer with its ramp extended, showing the Mercedes-Benz AMG GT car being loaded onto the platform.

**Figure 4:** The Rastar Mercedes-Benz Actros RC Truck with the Mercedes-Benz AMG GT car securely loaded on its trailer, alongside the remote control.

## 5. MAINTENANCE

### 5.1 Cleaning

- Wipe the truck, car, and remote control with a soft, dry cloth.
- For stubborn dirt, use a slightly damp cloth and then dry thoroughly.
- Do not use chemical cleaners or solvents, as they may damage the finish.

### 5.2 Storage

- Store the product in a cool, dry place, away from direct sunlight and moisture.
- Remove all batteries from the truck and remote control if storing for an extended period to prevent leakage.

## 6. TROUBLESHOOTING

---

- **Vehicle not responding:**

- Ensure both the truck and remote control are powered ON.
- Check if batteries are correctly installed and have sufficient charge. Replace or recharge if necessary.
- Ensure the truck and remote are within operating range.
- Turn both devices off and on again to re-establish connection.

- **Short operating range:**

- Low battery power in either the truck or remote control can reduce range.
- Interference from other radio frequencies or large metal objects can affect range.

- **Vehicle moves slowly or inconsistently:**

- Check battery levels.
- Ensure no debris is obstructing the wheels or moving parts.

## 7. SPECIFICATIONS

---

Feature	Detail
Model Name	762 74920
Manufacturer Reference	6930751310995
Brand	Rastar
Product Dimensions (L x W x H)	29.5 x 10 x 15 cm
Product Weight	1.1 kilograms
Manufacturer Recommended Age	10 years and up
Scale	1:26
Main Material	Iron
Batteries Required	Yes
Batteries Included	No (for initial purchase, rechargeable pack may be included for truck)
Remote Control Included	Yes (for RC Truck)
Charging Method	Electric Cable (for rechargeable battery)
Special Feature	Portable

## 8. WARRANTY AND SUPPORT

For warranty information and customer support, please refer to the packaging or contact the retailer where the product was purchased. Keep your proof of purchase for any warranty claims.
