## LEMFO LEM

# LEMFO LES 1 Smartwatch Phone

## USER MANUAL

### 1. Introduction

This manual provides comprehensive instructions for the operation, maintenance, and troubleshooting of your new LEMFO LES 1 3G Smartwatch Phone. Please read this manual carefully before using the device to ensure proper functionality and to maximize your user experience. Keep this manual for future reference.

### 2. Product Overview

**Figure 2.1:** Front view of the LEMFO LES 1 Smartwatch, showcasing its round display with a vibrant, abstract watch face.

The watch features a black silicone strap and a red button on the side.

**Figure 2.2:** Side and top view of the LEMFO LES 1 Smartwatch, illustrating its dimensions. The watch dial has a diameter of 44.5 mm and a thickness of 13.0 mm. The side view shows the camera lens and a red button.

**Figure 2.3:** Angled view of the LEMFO LES 1 Smartwatch, highlighting the black silicone strap and the watch's overall design. The display shows a colorful watch face with the time 10:14 and date 2017-01-01 SUN.

### Key Features:

- **Processor:** MTK6580 Quad Core 1.3GHZ CPU for efficient data processing.
- **Memory:** 16GB ROM + 1GB RAM for ample storage and smooth performance.
- **Display:** 1.3-inch AMOLED touch screen with 400x400 pixel resolution.
- **Connectivity:** Nano SIM card slot supporting 2G GSM & 3G WCDMA, BT 4.0, Wifi.
- **Camera:** 2.0MP HD camera for photos and video recording.
- **Operating System:** Android 5.1 OS with easy online upgrade capability.
- **Battery:** 350mAh battery providing 2-3 days of standby time.
- **Durability:** Water-resistant for hand washing and water splashing.
- **Additional Functions:** GPS Navigation, Voice Assistant, Heart Rate Monitor, Pedometer, Calorie Counter, Alarm, Music Player, Browser, Notifications, Anti-lost feature, Weather updates, Remote Control for Music & Picture.
- **Language Support:** Supports over 25 languages.

### Package Contents:

Upon unboxing, please verify that all the following items are included in your package:

- 1 x LEMFO LES 1 Smart Watch
- 1 x USB Cable
- 1 x Charging Dock
- 1 x User Manual (this document)
- 1 x Screwdriver (for SIM card tray access)

## 3. Setup

---

### 3.1 Charging the Device

1. Connect the USB cable to the charging dock.
2. Place the LEMFO LES 1 Smartwatch onto the charging dock, ensuring the charging pins align correctly.
3. Plug the USB cable into a standard USB power adapter (not included) or a computer's USB port.
4. The watch display will indicate charging status. A full charge typically takes approximately 2 hours.

### 3.2 Inserting the Nano SIM Card

The LEMFO LES 1 supports a Nano SIM card for 2G GSM and 3G WCDMA network connectivity.

1. Locate the SIM card slot on the side of the watch.
2. Use the provided screwdriver to open the SIM card tray.
3. Carefully place the Nano SIM card into the tray with the gold contacts facing down.
4. Gently push the tray back into the slot until it clicks into place.

### 3.3 Initial Power On

To power on your smartwatch for the first time:

- Press and hold the power button (usually the red button on the side) for a few seconds until the LEMFO logo appears on the screen.
- Follow the on-screen prompts to complete the initial setup, including language selection and time zone settings.

### 3.4 Connecting to Wi-Fi and Bluetooth

To access network features and connect to other devices:

- **Wi-Fi:** Navigate to *Settings > Wi-Fi*. Turn Wi-Fi on and select your desired network from the list. Enter the password if prompted.
- **Bluetooth:** Navigate to *Settings > Bluetooth*. Turn Bluetooth on. The watch will search for nearby devices. Select the device you wish to pair with and follow the pairing instructions.

## 4. Operating Instructions

---

### 4.1 Basic Navigation

- **Touch Screen:** Swipe left, right, up, or down to navigate through menus and applications. Tap to select an item.

- **Power Button:** Press once to wake/sleep the screen. Press and hold to power on/off or restart the device.
- **Back Button:** Swipe right from the left edge of the screen or use the designated on-screen back arrow to return to the previous screen.

## 4.2 Making and Receiving Calls

With a Nano SIM card inserted, your smartwatch can function as a standalone phone.

- **Making Calls:** Open the *Dialer* app, enter the phone number, and tap the call icon. Alternatively, access your *Contacts* to select a contact.
- **Receiving Calls:** When a call comes in, swipe right to answer or swipe left to decline.

## 4.3 Using Applications

The LEMFO LES 1 comes pre-installed with various applications. Access them from the app drawer by swiping up from the watch face.

- **GPS Navigation:** Utilize the built-in GPS for location tracking and navigation. Ensure location services are enabled in settings.
- **Heart Rate Monitor:** Open the Heart Rate app and wear the watch snugly on your wrist for accurate readings.
- **Pedometer & Calorie Counter:** These features automatically track your steps and estimated calories burned throughout the day.
- **Camera:** Open the Camera app to take photos or record videos. Tap the screen to focus and press the shutter button.
- **Voice Assistant:** Activate the voice assistant (e.g., by long-pressing a button or specific gesture) to perform tasks using voice commands.
- **Music Player:** Play music stored on the device or control music playing on a paired smartphone.
- **Browser:** Access the internet using the built-in web browser.

## 5. Maintenance

---

### 5.1 Cleaning Your Smartwatch

- Wipe the screen and watch body with a soft, lint-free cloth.
- For stubborn smudges, slightly dampen the cloth with water. Avoid using harsh chemicals or abrasive materials.
- Clean the charging contacts periodically with a dry cloth to ensure proper charging.

### 5.2 Water Resistance

The LEMFO LES 1 is water-resistant for daily activities such as hand washing and water splashing. It **is not** suitable for swimming, showering, or diving. Avoid exposing the watch to hot water or steam.

### 5.3 Battery Care

- Avoid fully discharging the battery frequently.
- Do not expose the watch to extreme temperatures (hot or cold), as this can degrade battery life.
- If the watch will not be used for an extended period, charge it to about 50% before storing.

## 6. Troubleshooting

Problem	Possible Cause	Solution
Watch does not power on.	Low battery; device frozen.	Charge the watch for at least 30 minutes. If still unresponsive, press and hold the power button for 10-15 seconds to force a restart.
Cannot connect to Wi-Fi/Bluetooth.	Incorrect password; out of range; interference.	Ensure correct password. Move closer to the Wi-Fi router or Bluetooth device. Restart the watch and try again.
SIM card not detected.	SIM card improperly inserted; faulty SIM card.	Remove and reinsert the SIM card carefully, ensuring it is correctly seated. Test the SIM card in another device if possible.
Apps are slow or crashing.	Too many apps running; low memory.	Close unnecessary background applications. Restart the watch. Consider uninstalling unused apps to free up memory.
Battery drains quickly.	High screen brightness; excessive app usage; poor signal.	Reduce screen brightness. Close background apps. Turn off Wi-Fi/Bluetooth/GPS when not in use. Ensure good network signal.

### 6.1 Factory Reset

If issues persist, a factory reset can resolve many software-related problems. **Warning:** This will erase all data on your watch, including apps, settings, and personal files. Back up important data before proceeding.

- Navigate to *Settings > Backup & Reset > Factory data reset*
- Confirm your choice when prompted. The watch will restart and restore to its original factory settings.

## 7. Specifications

## 8. Warranty and Support

---

### 8.1 Warranty Information

The LEMFO LES 1 Smartwatch comes with a **1 Month Warranty** from the date of purchase. This warranty covers manufacturing defects and malfunctions under normal use. It does not cover damage caused by misuse, accidents, unauthorized repairs, or exposure to conditions beyond the specified water resistance limits.

Please retain your purchase receipt as proof of purchase for warranty claims.

### 8.2 Customer Support

For technical assistance, warranty claims, or further inquiries, please contact your retailer or the LEMFO customer support channel through which you purchased the product. Refer to the product packaging or retailer's website for specific contact details.
