SETUP INSTRUCTIONS

Follow these steps to assemble your Tiny Love Gymini Deluxe Play Mat:

1. Unfold the playmat on a clean, flat surface. Ensure there is enough space for the arches to be set up.
2. Locate the two flexible arches. Insert the ends of each arch into the designated slots on the playmat. You should hear

a click when they are securely in place.

3. Connect the two arches at the top using the central connector. This will form the activity gym structure.
4. Attach the various take-along toys to the loops on the arches. Distribute them evenly to encourage reaching and batting.
5. For electronic toys, ensure 3 AAA batteries (not included) are inserted correctly into the battery compartment, following polarity indicators.
