

## Zebra Pen G-402

# Zebra Pen G-402 Gel Pen Instruction Manual

Model: G-402 (49211)

## INTRODUCTION

The Zebra Pen G-402 is a retractable gel pen designed for comfortable and reliable writing. It features a durable stainless steel barrel, a comfortable rubberized grip, and a 0.5mm fine point for precise lines. This manual provides instructions for its proper use and care.

## SETUP

The Zebra G-402 Gel Pen is ready for immediate use upon removal from its packaging. No assembly is required.

1. Remove the pen from its packaging.
2. Ensure the pen tip is retracted before storing in a pocket or bag to prevent accidental marks.

## OPERATING INSTRUCTIONS

---

Using the G-402 Gel Pen is straightforward:

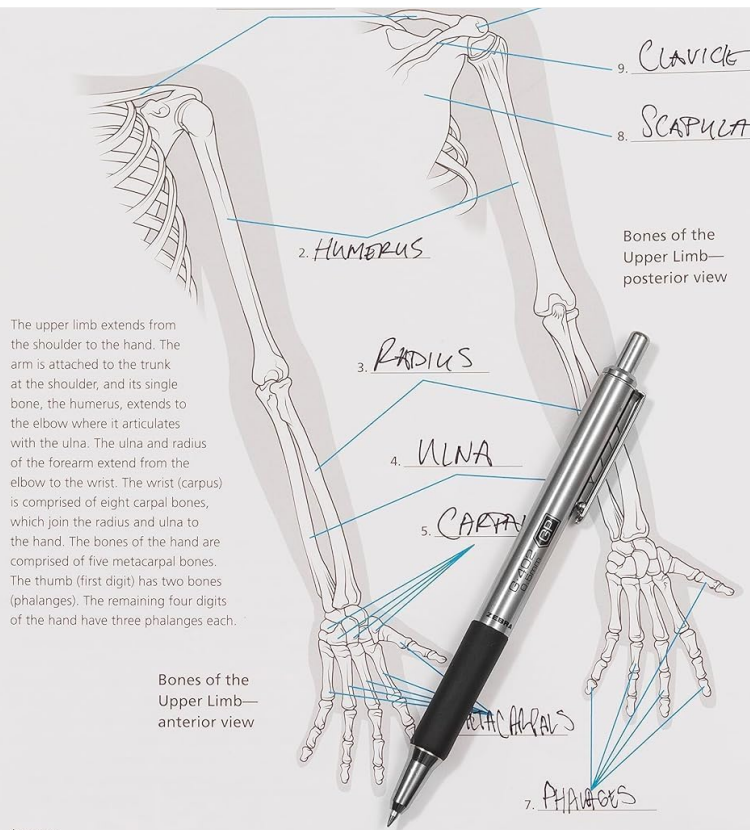

- **To Extend the Pen Tip:** Press the top button mechanism firmly until it clicks into place. The pen tip will extend, ready for writing.
- **To Retract the Pen Tip:** Press the side clip mechanism. The pen tip will retract back into the barrel.
- **Writing:** Hold the pen comfortably using the rubberized grip. Apply light to moderate pressure to write smoothly.

## MAINTENANCE

Proper maintenance ensures the longevity and performance of your G-402 Gel Pen.

### Refill Replacement

When the ink runs out, replace the refill with a compatible Zebra G-series gel ink refill.

1. Unscrew the pen barrel at the grip section.
2. Carefully remove the old ink refill.
3. Insert the new compatible refill, ensuring it seats properly.
4. Screw the barrel back together until secure. Do not overtighten.

### Cleaning

The stainless steel barrel can be wiped clean with a soft, damp cloth. Avoid using harsh chemicals or abrasive materials, which may damage the finish or rubber grip.
