UPBRIGHT 5V AC/DC Adapter

UPBRIGHT 5V AC/DC Adapter Instruction Manual

Compatible with LawMate PV500, PV600, PV700, PV800, PV806, PV900, PV1000 Mini HD Digital Video Recorders

1. Introduction

This manual provides instructions for the safe and efficient use of your UPBRIGHT 5V AC/DC Adapter. This power supply is designed to provide reliable power to compatible LawMate Mini HD Digital Video Recorders, including models PV500, PV600, PV700, PV800, PV806, PV900, and PV1000. Please read this manual thoroughly before use and retain it for future reference.

2. Safety Information

To prevent injury or damage to your device, observe the following safety precautions:

- Ensure the adapter's voltage and current ratings match your device's requirements. This adapter provides 5V DC output.
- Do not expose the adapter to water, moisture, or extreme temperatures.
- Avoid dropping or subjecting the adapter to strong impacts.
- Do not attempt to open or modify the adapter. Refer all servicing to qualified personnel.
- Always unplug the adapter from the power outlet before cleaning or when not in use for extended periods.
- Keep out of reach of children.
- Ensure proper ventilation around the adapter during operation to prevent overheating.

3. Package Contents

Your package should contain the following items:

- 1 x UPBRIGHT 5V AC/DC Adapter
- (Optional: Country-specific outlet adapter for international orders)

Image: A close-up view of the barrel connector, which plugs into the LawMate DVR device.

4. Setup Instructions

1. **Verify Compatibility:** Ensure your LawMate DVR model (e.g., PV500, PV600, PV700, PV800, PV806, PV900, PV1000) requires a 5V DC power input. Check your device's manual or specifications.
2. **Check Polarity:** It is crucial to match the polarity of the adapter's connector with your device's input. This adapter features a center-positive polarity.

Image: Diagram illustrating correct (center-positive, indicated by a green checkmark) and incorrect (center-negative, indicated by a red cross) polarity for the barrel connector. The UPBRIGHT adapter is center-positive.

3. **Connect to Device:** Carefully insert the barrel connector of the UPBRIGHT adapter into the power input port of your LawMate DVR. Do not force the connector.
4. **Connect to Power Outlet:** Plug the AC plug of the adapter into a standard wall power outlet (100-240V AC, 50/60Hz).
5. **Power On:** Once connected, your LawMate DVR should receive power. Refer to your DVR's manual for specific power-on procedures.

5. Operating Instructions

The UPBRIGHT 5V AC/DC Adapter functions as a direct power source and charger for compatible LawMate DVR devices. Once properly connected, it continuously supplies power to the device. If your DVR has a rechargeable battery, the adapter will also charge it while providing power for operation.

- Ensure the adapter is securely plugged into both the wall outlet and the DVR.
- Monitor the DVR's charging indicator (if available) to confirm battery charging status.
- Disconnect the adapter from the wall outlet when not in use for extended periods to conserve energy.

6. Maintenance and Care

Proper care ensures the longevity and safe operation of your adapter:

- **Cleaning:** Disconnect the adapter from all power sources before cleaning. Use a soft, dry cloth to wipe the exterior. Do not use liquid cleaners or aerosols.
- **Storage:** Store the adapter in a cool, dry place away from direct sunlight and extreme temperatures. Avoid tightly winding the cable to prevent damage.
- **Inspection:** Periodically inspect the cable and connector for any signs of damage, such as fraying, cuts, or bent pins. If damage is observed, discontinue use and replace the adapter.

7. Troubleshooting

If you encounter issues with your UPBRIGHT adapter, refer to the following common problems and solutions:

Problem: Device is not powering on or charging.

- **Solution 1:** Ensure the adapter is securely plugged into both the wall outlet and the LawMate DVR.
- **Solution 2:** Verify the wall outlet is functional by plugging in another device.
- **Solution 3:** Check the adapter's cable and connector for any visible damage. If damaged, replace the adapter.
- **Solution 4:** Confirm that the LawMate DVR model is compatible with a 5V DC power supply and that the polarity is correct (center-positive).

Problem: Adapter feels excessively hot during use.

- **Solution 1:** Ensure the adapter is in a well-ventilated area and not covered by anything that could trap heat.
- **Solution 2:** Verify that the LawMate DVR is not drawing more current than the adapter is rated for (1A). Overloading can cause overheating.
- **Solution 3:** If overheating persists, discontinue use and contact customer support.

8. Specifications

Feature	Detail
Brand	UPBRIGHT
Input Voltage	100-240V AC, 50/60Hz
Output Voltage	5V DC

Output Current	1A (1000mA)
Connector Type	Barrel Connector (Center Positive)
Power Source Type	Corded Electric
Safety Certifications	CE, CCC, ROHS (as per product description)

9. Warranty Information

This UPBRIGHT product comes with a Limited Warranty. Please refer to the warranty certificate included with your purchase for specific terms, conditions, and duration. Retain your proof of purchase for warranty claims.

10. Customer Support

For technical assistance, warranty claims, or further inquiries, please contact UPBRIGHT customer support through the retailer where the product was purchased or visit the official UPBRIGHT store page on Amazon: UPBRIGHT Amazon Store.
