Zazu Bibi the Bunny Musical Soft Toy Instruction Manual

Model: Bibi the Bunny (BIBI-01)

INTRODUCTION

The Zazu Bibi the Bunny is a musical soft toy designed to comfort and soothe infants. It features a sound module that mimics a mother's heartbeat, plays various melodies, and includes a cry sensor to activate sounds when your baby needs reassurance. This manual provides essential information for the safe and effective use of your Zazu Bibi the Bunny.

Activating Sounds

To activate the sound module, gently shake the soft toy. It will automatically play the last chosen sound.

Volume Control

Adjust the volume to your preferred level using the controls on the sound module.

Cry Sensor

The integrated voice-activated sound sensor will detect if your baby starts crying and automatically switch on the sound to soothe them.

MAINTENANCE

Cleaning the Soft Toy

The soft toy can be washed. **Important:** Always remove the sound module before washing the plush toy. Refer to the care label on the toy for specific washing instructions.

Sound Module Care

Keep the sound module dry. Do not immerse it in water. Clean with a dry cloth if necessary.

TROUBLESHOOTING

• No Sound:

- Check if batteries are correctly installed and not depleted. Replace with new AAA alkaline batteries if needed.
- Ensure the sound module is properly inserted into the toy.
- Verify the volume setting is not at its lowest level.

- **Cry Sensor Not Activating:**

- Ensure the cry sensor feature is enabled (if applicable, based on module controls).
- Check for obstructions around the sound module's microphone.
- Verify battery level.

- **Sound Stops Prematurely:**

- The 10-minute auto-shutoff timer is a normal function. If it stops sooner, check battery level.
