## PAW PATROL XXL Headquarters

# PAW PATROL XXL Headquarters Observation Tower User Manual

## 1. INTRODUCTION

---

The PAW PATROL XXL Headquarters Observation Tower is an interactive playset designed for children aged 36 months to 10 years. This large playset allows children to recreate rescue missions with their favorite PAW Patrol characters. It features a working lift, a rotating periscope, a slide with a unique flip feature, a rotating vehicle starter base, an interactive puppy pad with sounds, and storage compartments.

## 2. SAFETY INFORMATION

- **Adult Supervision:** Always ensure adult supervision during play, especially for younger children.
- **Choking Hazard:** This product contains small parts which may pose a choking hazard for children under 3 years. Keep small components away from infants.
- **Battery Safety:** If the product requires batteries for lights and sounds (refer to troubleshooting for details), ensure they are installed correctly and kept out of reach of small children. Do not mix old and new batteries or different types of batteries.
- **Stable Surface:** Place the playset on a flat, stable surface to prevent tipping during play.
- **Cleaning:** Clean the playset with a damp cloth only. Do not immerse in water.

## 3. PACKAGE CONTENTS

Please verify that all the following items are included in your package:

- 1 x Lookout Tower (main assembly)
- 1 x Exclusive Vehicle (typically Chase's police cruiser)
- 1 x Chase Character Figure
- 1 x Marshall Character Figure
- 4 x Puppy Backpacks (accessories for figures)

#### 4. SETUP INSTRUCTIONS

The main tower structure of the PAW PATROL XXL Headquarters is largely pre-assembled. Follow these steps to prepare your playset for immediate use:

1. **Unpack Components:** Carefully remove all parts and accessories from the packaging.
2. **Position Tower:** Place the main lookout tower assembly on a flat, stable surface. Ensure there is enough space around it for interactive play.
3. **Attach Accessories:** If any smaller accessories, such as the periscope or slide, are not already secured, gently click or slide them into their designated slots on the tower.
4. **Place Characters and Vehicles:** Position the exclusive vehicle, Chase, Marshall, and the four puppy backpacks around the playset as desired, ready for adventure.

5. **Install Batteries (if applicable):** If the light and sound features are not working, refer to the troubleshooting section for battery installation instructions.

## 5. OPERATING THE PLAYSET FEATURES

---

Explore the various interactive features of the XXL Headquarters Observation Tower:

- **Rotating Periscope:** Use the yellow periscope at the very top of the tower. Rotate it manually to simulate observing Adventure Bay for any signs of trouble.
- **Lights and Sounds:** Press the buttons located on the tower's interactive puppy pad to activate various lights and authentic sounds from the PAW Patrol show. Each button may trigger different phrases or sound effects.
- **Working Lift:** Place a character figure into the lift on the side of the tower. Manually operate the lift mechanism to raise or lower characters between the ground level and the observation deck.
- **Rescue Slide:** Send character figures or small vehicles down the grey slide. The unique flip feature at the end of the slide is designed to launch the exclusive vehicle directly into its ready position for action.
- **Rotating Vehicle Starter:** Place a PAW Patrol vehicle onto the rotating starter base at the bottom of the tower. Rotate the base to aim, then activate the launcher to send the vehicle speeding into action.
- **Puppy Backpack Storage:** Utilize the detachable puppy backpack storage compartment to keep accessories organized when not in use.

## 6. MAINTENANCE

- **Cleaning:** To clean the playset, wipe surfaces with a soft, damp cloth. Do not use harsh chemicals or abrasive cleaners. Ensure the playset is completely dry before storing.
- **Storage:** Store the playset in a cool, dry place away from direct sunlight to prevent material degradation.
- **Battery Replacement:** If the lights and sounds become faint or stop working, replace the batteries as described in the troubleshooting section.

## 7. TROUBLESHOOTING

- **No Lights or Sounds:**
  - Check the battery compartment (usually located at the base or rear of the tower).
  - Ensure batteries are inserted with correct polarity (+/-).
  - Replace old or depleted batteries with new ones (typically AA or AAA, though specific type is not provided, check compartment for details).

- Ensure the power switch (if present) is in the 'ON' position.
- **Slide or Lift Not Functioning Smoothly:**
  - Check for any obstructions or debris in the mechanism.
  - Ensure parts are correctly assembled and not misaligned.
- **Missing Parts:** If any parts were missing from the original package, please contact the retailer or manufacturer's customer support.
