Bush Furniture STC006SGSU

Bush Furniture Studio C L-Shaped Desk with Hutch and Mobile File Cabinet

Model: STC006SGSU | **Brand:** Bush Furniture

1. Introduction

This manual provides detailed instructions for the assembly, operation, maintenance, and troubleshooting of your Bush Furniture Studio C L-Shaped Desk with Hutch and Mobile File Cabinet. Please read this manual thoroughly before beginning assembly or use to ensure proper setup and long-lasting performance of your furniture.

2. Product Overview

The Bush Furniture Studio C L-Shaped Desk system is designed for a modern workspace, offering durability and functionality. Key components and features include:

- **72W x 30D Office Desk:** Provides a spacious work surface.
- **42W Desk Return:** Attaches to either side of the main desk to form a left or right-handed L-shaped configuration.
- **72W Hutch:** Features 4 doors with self-closing Euro-style hinges for enclosed storage.
- **3 Drawer Mobile File Cabinet:** Offers flexible storage and can be moved as needed.
- **Thermally Fused Laminate Finish:** Resists scratches, stains, and dents for enhanced durability.
- **Integrated Cable Management:** Helps keep computer cords organized and out of sight.

3. Setup & Assembly

Assembly of this furniture set is required. It is recommended that**two people** perform the assembly. Please note that assembly tools are **not included** and must be acquired separately.

3.1 Unpacking and Preparation

1. Carefully unpack all components and verify against the parts list provided in the separate assembly guide.
2. Ensure all parts are present and undamaged before beginning assembly.
3. Clear a spacious area for assembly to prevent damage to components or flooring.

3.2 Desk Assembly

Follow the step-by-step instructions in the dedicated assembly manual for the main desk and return. The 42W return can be attached to either the left or right side of the main desk to suit your office layout.

3.3 Hutch Installation

Once the main desk is assembled, position the hutch securely on top of the desk surface. Ensure all fasteners are tightened according to the hutch assembly instructions.

3.4 Mobile File Cabinet Setup

The mobile file cabinet typically requires minimal assembly, often limited to attaching the casters and drawer pulls. Refer to the file cabinet's specific instructions for details.

4. Operating Instructions

4.1 Desk Usage

The L-shaped desk provides ample space for computers, monitors, and other office equipment. Utilize the integrated cable management grommets to route and conceal power cords and data cables, maintaining a tidy workspace.

4.2 Hutch Storage

The hutch features four enclosed compartments with doors. These are ideal for storing office supplies, books, and other items you wish to keep out of sight. The self-closing Euro-style hinges ensure smooth and quiet operation of the doors.

4.3 Mobile File Cabinet

The 3-drawer mobile file cabinet can be positioned under the desk or elsewhere in your office. The drawers are designed for easy access to documents and supplies. Ensure the casters are locked when you want the cabinet to remain stationary.

5. Maintenance & Care

To maintain the appearance and longevity of your Bush Furniture Studio C desk set, follow these care instructions:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or polishes that

may damage the laminate finish.

- **Spills:** Clean spills immediately to prevent staining.
- **Heat and Moisture:** Protect surfaces from extreme heat and moisture using coasters or pads.
- **Inspection:** Periodically check all fasteners and tighten if necessary to ensure stability.

6. Troubleshooting

If you encounter any issues with your Bush Furniture Studio C desk set, consider the following common solutions:

- **Wobbling Desk:** Ensure all assembly screws and bolts are securely tightened. Verify the desk is on a level surface; use shims if necessary.
- **Sticking Drawers:** Check for obstructions in the drawer slides. Ensure the cabinet is level and that the slides are properly aligned and lubricated if needed.
- **Hutch Doors Not Closing Properly:** Inspect hinges for proper alignment and tightness. Adjust hinges as per the hutch assembly guide if doors are misaligned.
- **Missing Parts:** If any parts were missing upon delivery, contact customer support immediately with your product model number and a description of the missing components.

7. Specifications
