SETUP

- 1. Prepare the Drawing Tablet:** Open the drawing tablet. You will see slots where the fashion plates fit.
- 2. Select Fashion Plates:** Choose three double-sided fashion plates to create your desired outfit. These typically include a head/top, a torso/middle, and a leg/bottom section.
- 3. Insert Fashion Plates:** Carefully slide your chosen fashion plates into the designated slots on the drawing tablet. Ensure they are securely in place and aligned to form a complete figure.
- 4. Place Paper:** Take one sheet of paper from the drawing tablet or use a standard piece of paper cut to size. Place it over the assembled fashion plates on the tablet.
- 5. Secure Paper:** Close the clear frame of the drawing tablet over the paper. This will hold the paper and the fashion plates firmly in position for rubbing.

OPERATING INSTRUCTIONS

1. **Create the Outline:** Take the black crayon and insert it into the crayon holder. Hold the crayon holder

flat against the paper and rub it firmly over the entire surface of the paper. The raised designs on the fashion plates will transfer as an outline onto your paper.

2. **Add Color:** Once the outline is complete, open the drawing tablet and remove your paper. Use the included colored crayons to fill in your fashion design with vibrant colors. Experiment with different color combinations to create unique looks.
3. **Experiment with Textures:** Some fashion plates may have textured patterns on their reverse side. You can use these textures by placing them under specific areas of your design (e.g., a skirt or top) and rubbing a crayon over them to add patterns.
4. **Mix and Match:** Don't be afraid to try different combinations of head, torso, and leg plates to create a wide variety of styles.

MAINTENANCE

To ensure the longevity of your Barbie Fashion Plates All-in-One Studio:

- **Cleaning Plates:** The fashion plates can be wiped clean with a dry cloth if they accumulate crayon residue.
- **Storage:** Store all components, including plates, crayons, and the drawing tablet, in a cool, dry place away from direct sunlight to prevent damage or warping. The compact design allows for easy storage and travel.
- **Crayon Replacement:** If the included crayons wear down, standard crayons can be used as replacements.

TROUBLESHOOTING

If you encounter any issues while using your Barbie Fashion Plates All-in-One Studio, consider the

following:

- **Faint Rubbings:** Ensure the paper is placed flat and securely over the fashion plates. Apply firm, even pressure when rubbing the crayon across the entire surface.
- **Crayon Breakage:** Crayons can break if too much pressure is applied or if they are dropped. Use a gentle, consistent rubbing motion.
- **Misaligned Designs:** Double-check that the fashion plates are correctly inserted into their slots and that the paper is aligned before closing the frame.
