3. ASSEMBLY INSTRUCTIONS

Assembly is required for this play set. Please follow these general guidelines:

1. **Unpack all components:** Carefully remove all pieces from the packaging and lay them out. Refer to the package contents list to ensure all parts are present.
2. **Identify major structures:** Locate the pieces for the riding school, pick-up truck, and horse box.
3. **Assemble the Riding School:** Connect the roof sections to the support pillars and fence panels as indicated by the design. Pieces are typically designed to snap or slide together.
4. **Assemble the Pick-Up Truck and Horse Box:** The truck and trailer may require minor assembly, such as attaching wheels or decorative elements. The horse box typically connects to the pick-up truck via a hitch.
5. **Arrange accessories:** Place fences, jumps, and other small accessories around the riding school as desired.
6. **Attach small details:** Apply any included stickers or attach small decorative elements to the figures or structures.

Note: While specific diagrams are not provided in this manual, the design of Schleich products typically allows for intuitive assembly. Refer to the product packaging for visual guidance if needed.

4. OPERATING INSTRUCTIONS (PLAY GUIDE)

The Schleich Riding School Play Set is designed for open-ended imaginative play. Here are some suggestions for operation:

- **Set up the scene:** Arrange the riding school, fences, and jumps to create a realistic equestrian environment.

- **Prepare the horses:** Place saddles, blankets, and halters on the horse figurines.
- **Position the riders:** Place the rider figurines on the horses. Some figures may have articulated limbs for easier posing.
- **Transport horses:** Use the pick-up truck and horse box to transport horses to and from the riding school or to imaginary competitions. The horse box typically has a ramp for loading and unloading.
- **Practice riding:** Simulate riding lessons, jumping exercises, or dressage training within the riding arena.
- **Care for horses:** Use the horse care accessories to simulate grooming, feeding, and watering the horses.

5. MAINTENANCE

To ensure the longevity of your Schleich play set, follow these maintenance guidelines:

- **Cleaning:** Wipe figurines and structures with a damp cloth. Avoid harsh chemicals or abrasive cleaners, as these can damage the paint or plastic.
- **Storage:** Store the play set in a clean, dry place away from direct sunlight and extreme temperatures. Disassemble larger structures if necessary for compact storage.
- **Handling:** Handle all pieces with care to prevent breakage, especially smaller accessories and delicate parts of figurines.

6. TROUBLESHOOTING

Most issues with play sets are minor and can be resolved easily:

- **Missing parts:** If you believe a part is missing upon unboxing, carefully check all packaging materials. If still missing, contact Schleich customer support.

- **Difficulty assembling:** Ensure you are aligning pieces correctly. Do not force parts together. If a piece seems ill-fitting, double-check the instructions or product images for proper orientation.
- **Damaged parts:** In case of minor damage, adult supervision is recommended for any attempts at repair using appropriate adhesives for plastic. For significant damage, contact customer support.
