Brookstone BIG BLUE

Brookstone Big Blue True Wireless Earbuds Instruction Manual

Model: BIG BLUE

INTRODUCTION

Thank you for choosing the Brookstone Big Blue True Wireless Earbuds. These earbuds are designed to provide a seamless audio experience, allowing you to enjoy music and manage calls wirelessly. This manual provides essential information on setting up, operating, maintaining, and troubleshooting your new earbuds.

Key Features:

- True wireless design for freedom of movement.
- Rich, full-range audio with deep bass.
- Integrated microphone with Qualcomm cVc noise-cancelling technology for clear calls.
- Bluetooth connectivity for easy pairing with your smartphone or device.

SETUP

What's in the Box

- Brookstone Big Blue True Wireless Earbuds (Left and Right)
- Wireless Charging Case

Charging the Earbuds and Case

1. Place both earbuds into the charging case. Ensure they are seated correctly.
2. Connect the charging case to a USB power source using the provided charging cable.
3. The indicator lights on the case and earbuds will show charging status. Refer to the specific light patterns in your product packaging for details.
4. Allow sufficient time for a full charge before first use.

Image: Close-up view of the earbuds within the charging case, illustrating proper placement for charging.

Bluetooth Pairing

1. Ensure the earbuds are charged.
2. Remove both earbuds from the charging case. They will automatically enter pairing mode, indicated by flashing LED lights (refer to your product packaging for specific light patterns).
3. On your smartphone or Bluetooth-enabled device, go to the Bluetooth settings.
4. Search for new devices and select "BIG BLUE" (or similar name) from the list.
5. Once connected, the earbud indicator lights will change, typically turning solid or off.
6. If pairing fails, place the earbuds back in the case, close it, and repeat the steps.

OPERATING INSTRUCTIONS

Power On/Off

- **Power On:** Remove the earbuds from the charging case. They will automatically power on and attempt to connect to the last paired device.
- **Power Off:** Place the earbuds back into the charging case and close the lid. They will automatically power off and begin charging.

Music Playback and Call Management

The earbuds feature integrated controls for media playback and call handling. Specific functions may vary slightly; refer to your product's quick start guide for exact button presses.

- **Play/Pause:** Typically a single press on either earbud.
- **Next Track:** Often a double press on the right earbud.
- **Previous Track:** Often a double press on the left earbud.
- **Answer/End Call:** A single press on either earbud during an incoming call or active call.
- **Reject Call:** A long press on either earbud during an incoming call.
- **Activate Voice Assistant:** A triple press or long press on an earbud (check specific model instructions).

MAINTENANCE

Cleaning

- Use a soft, dry, lint-free cloth to clean the earbuds and charging case.
- Do not use abrasive cleaners, solvents, or aerosol sprays.
- Gently clean ear tips and speaker grilles with a dry cotton swab to remove earwax or debris.

Storage

- Always store the earbuds in their charging case when not in use to protect them and keep them charged.
- Store in a cool, dry place, away from extreme temperatures and direct sunlight.

Battery Care

- To prolong battery life, avoid fully discharging the earbuds and case frequently.
- Charge the device regularly, even if not in frequent use.

TROUBLESHOOTING

Problem	Possible Solution
Earbuds not pairing with device.	<ul style="list-style-type: none">• Ensure earbuds are fully charged.• Turn off Bluetooth on your device and turn it back on.• Forget/delete "BIG BLUE" from your device's Bluetooth list and attempt to pair again.• Place earbuds back in the case, close the lid, wait a few seconds, then remove them to re-enter pairing mode.
Sound skipping or cutting out.	<ul style="list-style-type: none">• Ensure your device is within the recommended Bluetooth range (typically up to 33 feet/10 meters) and there are no major obstructions.• Avoid placing your device in areas that might block the signal (e.g., deep pockets, behind thick walls).• Ensure there is no interference from other wireless devices.
One earbud has no sound.	<ul style="list-style-type: none">• Place both earbuds back in the charging case, close the lid, and then remove them again. This often re-syncs them.• Check if the earbud is charged.
Earbuds not charging.	<ul style="list-style-type: none">• Ensure the charging cable is securely connected to both the case and the power source.• Verify the power source is active.• Clean the charging contacts on both the earbuds and inside the case with a dry cotton swab.
