Bedsure 1

Bedsure Sherpa Fleece Blanket Instruction Manual

MODEL: 1 (GREY, 150x200 CM)

1. Product Overview

The Bedsure Sherpa Fleece Blanket is designed to provide warmth and comfort. It features a double-sided design with high-quality Sherpa wool and soft flannel/fleece, making it exceptionally soft, easy to maintain, and durable. This blanket is suitable for various uses, from relaxing on a sofa to adding an extra layer of warmth to your bed.

Key Features:

- **Material:** Made from high-quality Sherpa wool, flannel, and fleece for a soft and comfortable feel.
- **Double-Sided Design:** Offers two distinct textures for enhanced comfort and warmth retention.
- **Easy Care:** Machine washable and suitable for tumble drying at low temperatures.
- **Versatile Use:** Ideal for beds, sofas, or as a cozy throw.

2. Setup

Upon receiving your Bedsure Sherpa Fleece Blanket, it is recommended to remove it from its packaging and gently shake it out. This helps to fluff up the fibers and remove any loose particles from manufacturing or transit. For optimal softness and to remove any initial packaging scent, consider washing the blanket before its first use, following the care instructions provided in the Maintenance section.

3. Operating Instructions

The Bedsure Sherpa Fleece Blanket is designed for immediate and versatile use. Simply unfold the blanket and drape it over yourself, a sofa, or a bed to enjoy its warmth and softness. It can be used as an extra layer during colder months, a decorative throw, or a comfortable cover for lounging.

4. Maintenance

Proper care will extend the life and maintain the softness of your Bedsure Sherpa Fleece Blanket. Follow these instructions carefully:

- **Washing:** Machine wash cold on a gentle cycle.
- **Drying:** Tumble dry on low heat. Avoid direct heat, as high temperatures can damage the fibers.
- **Bleaching:** Do not bleach.
- **Ironing:** Do not iron.
- **Dry Cleaning:** Do not dry clean.
- **Shrinkage:** Thanks to a special processing technique, the fleece blanket is designed to resist shrinkage.

For best results, wash separately or with similar colors. Avoid washing with items that have zippers or hooks that could snag the fabric.

5. Troubleshooting

If you encounter any issues with your blanket, please refer to the following common solutions:

- **Initial Odor:** A new blanket may have a slight manufacturing or packaging odor. This typically dissipates after the first wash. Follow the care instructions.
- **Shedding:** Minimal shedding may occur during the first few washes. This is normal for fleece products and should decrease over time. Ensure you wash the blanket separately.
- **Loss of Softness:** To maintain softness, avoid using fabric softeners excessively, as they can build up on fibers. Use a mild detergent and follow drying instructions.

If problems persist, please contact Bedsure customer support.

6. Specifications

Feature	Detail
Product Dimensions	32 x 18 x 18 cm (packaged); 150 x 200 cm (unfolded)
Product Weight	1.47 Kilograms
Fabric Type	Polyester
Filling Material	Wool/Sherpa
Care Instructions	Machine Washable
