ZINUS OLB-IRDBS-39

ZINUS Suzanne Bamboo and Metal Daybed with Trundle

Model: OLB-IRDBS-39

Brand: ZINUS

Introduction

Inspired by the modern industrial style of our bestselling Suzanne Platform Bed, the Suzanne Daybed is the missing piece that'll outfit your guestroom, dorm room, office, or small apartment with multifunctional use. Designed for extra seating or an extra bed, this platform daybed is available on its own or with a convenient trundle that tucks away when not in use. Crafted beautifully with a streamlined black metal frame and sustainable bamboo headboard and footboard, you can enjoy the benefits of bamboo's outstanding durability and easy to clean finish. Engineered to support any twin mattress without a box spring, this bed includes a steel platform that your mattress can rest directly on top of, no box spring needed. And just like all of our beds, this practical daybed ships with all the tools and instructions you need to assemble it with complete confidence. Whether you're using it for entertaining friends or just some much-needed rest and relaxation, the Suzanne Daybed is built with boundless levels of style and practicality for any room in need of a little more comfort.

Product Features

- **Sustainable Bamboo and Durable Steel:** Constructed with high-quality materials for lasting use.
- **Multifunctional Comfort:** Perfect for guest rooms, kids' rooms, or home offices, offering both seating and sleeping solutions with a convenient trundle.
- **Built to Last:** Features a sturdy steel framework, naturally durable bamboo, and a metal mattress platform designed for strength and longevity. Each twin size bed supports a maximum weight capacity of 350 lbs.
- **No Box Spring Needed:** The thick and durable steel frame provides reliable mattress support directly, eliminating the need for a box spring.
- **Easy Assembly:** All necessary parts, tools, and instructions are efficiently packed into one box for straightforward, two-person assembly in under an hour.
- **Worry-Free Warranty:** Includes a 5-year manufacturer warranty for ultimate peace of mind.

Setup and Assembly

Your ZINUS Suzanne Daybed with Trundle is designed for easy assembly. All necessary parts, tools, and detailed instructions are included in the packaging. We recommend two people for assembly to ensure a smooth and efficient process, typically completed in under an hour.
For a comprehensive step-by-step guide, please refer to the official User Manual PDF available for downloadhere.

Figure 1: All parts and tools are included for convenient assembly.

Figure 2: Begin by assembling the main daybed frame components.

Figure 3: Assemble the trundle bed frame, ensuring all connections are secure.

Figure 4: Once assembled, the trundle bed slides smoothly underneath the main daybed.

Operating Instructions

The ZINUS Suzanne Daybed with Trundle offers versatile functionality for your space. The main daybed provides a comfortable sleeping or lounging area, while the integrated trundle bed offers an additional sleeping surface when needed.

Using the Main Daybed

Place your twin-sized mattress directly onto the steel slat support system of the main daybed. No box spring is required. Arrange pillows and bedding to create a comfortable seating or sleeping arrangement.

Extending and Retracting the Trundle Bed

The trundle bed is designed to slide out easily from underneath the main daybed. Simply pull the trundle frame outwards to extend it. When not in use, push the trundle back underneath the main daybed for compact storage. The trundle features wheels for smooth movement.

Figure 5: The daybed with the trundle fully extended, ready for use as a second bed.

Figure 6: The daybed with the trundle neatly tucked away, optimizing space.

Care and Maintenance

To ensure the longevity and appearance of your ZINUS Suzanne Daybed with Trundle, follow these simple care instructions:

- **Cleaning:** Wipe the metal frame and bamboo headboard/footboard with a dry cloth to remove dust and debris. Avoid using harsh chemicals or abrasive cleaners, as these may damage the finish.
- **Regular Inspection:** Periodically check all bolts and connections to ensure they remain tight and secure. Re-tighten if necessary to maintain stability.
- **Weight Capacity:** Do not exceed the maximum weight capacity of 350 lbs for each twin bed.

Troubleshooting

If you encounter any issues with your ZINUS Suzanne Daybed with Trundle, consider the following common solutions:

- **Squeaking Noises:** Check all assembly bolts and ensure they are securely tightened. Loose connections are a common cause of squeaking.
- **Trundle Not Sliding Smoothly:** Inspect the trundle wheels for any obstructions or debris. Ensure the floor surface is clear. If the wheels have locks, ensure they are disengaged when attempting to move the trundle.
- **Stability Concerns:** Verify that the daybed and trundle are assembled correctly according to the instructions. Ensure the bed is placed on a flat, level surface.

For more complex issues or if troubleshooting steps do not resolve the problem, please refer to the full user manual PDF or contact ZINUS customer support.

Important Safety Information

Always follow the assembly instructions carefully. This bed has a maximum weight capacity of 350 lbs. Do not exceed this weight limit. This product is suitable for children. Always use appropriate bedding materials for the intended user. Wipe with a dry cloth to clean. Keep away from heat sources and open flames.

Warranty and Customer Support

Your ZINUS Suzanne Daybed with Trundle is backed by a**5-year manufacturer warranty**, providing you with ultimate peace of mind regarding its quality and durability.
For any questions, assistance with assembly, or warranty claims, please contact ZINUS customer support. You can find contact information on the ZINUS official website or within the packaging materials.
