R for Rabbit Jack N Jill Grand Convertible Baby Car Seat Instruction Manual

Model: CCJJBG3

Brand: R for Rabbit

1. INTRODUCTION AND OVERVIEW

Thank you for choosing the R for Rabbit Jack N Jill Grand Convertible Baby Car Seat. This manual provides essential information for the safe and correct use, installation, and maintenance of your car seat. Please read this manual thoroughly before first use and keep it for future reference.

The Jack N Jill Grand is a versatile car seat designed to grow with your child, suitable for children from 0 to 7 years of age, accommodating weights from 0 to 25 kg. It offers both rear-facing and forward-facing installation options to ensure optimal safety and comfort at different developmental stages.

2. SAFETY INFORMATION

Your child's safety is paramount. The R for Rabbit Jack N Jill Grand Car Seat is ECE R44/04 Certified, meeting stringent European safety standards. It has been engineered and crash-tested to provide maximum protection.

Key Safety Features:

- **ECE R44/04 Certified:** Ensures compliance with European safety regulations.
- **5-Point Safety Harness:** Securely holds your child in place, distributing impact forces across five points.
- **Side Impact Protection:** Innovative design with padded wings provides enhanced protection for the child's head and body in the event of a side collision.
- **Strong Base and Blow Mold Structure:** Designed for better stability and strength to absorb shock.

Safety Certified

• Comfy Headrest

• Removable & Washable Cover

• 5 Point Safety Harness

4. SETUP AND INSTALLATION

The Jack N Jill Grand car seat is installed using your vehicle's seat belt system. Always ensure the car seat is securely fastened and does not move more than 1 inch (2.5 cm) from side to side or front to back at the belt path.

Rear-Facing Installation (0-10 kg, approx. 0-2 years):

1. Place the car seat on the vehicle's back seat, ensuring it is in the rear-facing position.
2. Route the vehicle's lap and shoulder belt through the designated rear-facing belt path slots on the car seat.
3. Buckle the vehicle's seat belt.
4. Press down firmly on the car seat while pulling the vehicle's seat belt tight to remove all slack. Ensure the seat is snug.
5. Engage the vehicle's seat belt locking mechanism (if applicable) or use the car seat's built-in lock-off device if provided.

Forward-Facing Installation (10-25 kg, approx. 2-7 years):

1. Place the car seat on the vehicle's back seat, ensuring it is in the forward-facing position.
2. Route the vehicle's lap and shoulder belt through the designated forward-facing belt path slots on the car seat.
3. Buckle the vehicle's seat belt.
4. Press down firmly on the car seat while pulling the vehicle's seat belt tight to remove all slack. Ensure the seat is snug.
5. Engage the vehicle's seat belt locking mechanism (if applicable) or use the car seat's built-in lock-off device if provided.
6. Attach the top tether strap (if available on your model and vehicle) to the vehicle's designated tether anchor point and tighten.

Always refer to your vehicle's owner's manual for specific car seat installation instructions and compatible seating positions.

5. OPERATING INSTRUCTIONS

Securing Your Child:

1. Place your child in the car seat.
2. Bring the two buckle tongues together and insert them into the buckle until you hear a click.
3. Pull the harness adjustment strap to tighten the harness until it is snug against your child's body. You should not be able to pinch any slack at the child's collarbone.
4. Ensure the chest clip is positioned at armpit level.

Image: A child seated in the R for Rabbit car seat, demonstrating proper harness use and comfort.

Adjusting Recline Position:

To adjust the recline position, locate the recline adjustment lever (usually at the front or side of the base). Squeeze or lift the lever and adjust the seat to one of the three desired recline positions. Ensure the seat clicks securely into place before placing your child in it.

6. MAINTENANCE

Cleaning the Seat Cushion:

The fabric seat cushion is removable and machine-washable. Please follow these steps:

1. Carefully remove the fabric cover from the car seat frame.
2. Machine wash the cover in cold water on a delicate cycle with mild detergent.
3. Do not bleach.
4. Tumble dry on low heat or hang to dry. Do not iron.

Cleaning Other Parts:

Metal and plastic parts of the car seat can be cleaned with mild soap and water. Wipe clean with a

damp cloth and allow to air dry completely before reassembly or use. Do not use abrasive cleaners or solvents.

7. TROUBLESHOOTING

If you encounter any issues with your R for Rabbit Jack N Jill Grand car seat, please refer to the following common checks:

- **Car Seat Feels Loose:** Re-check the installation steps. Ensure the vehicle's seat belt is pulled tight and all slack is removed. The seat should not move more than 1 inch (2.5 cm) at the belt path.
- **Harness Not Tightening:** Ensure the harness straps are not twisted or caught under the seat. Check that the harness adjustment strap is freely accessible and not obstructed.
- **Buckle Difficulty:** Ensure no debris is lodged in the buckle mechanism. Press the buckle tongues firmly until they click.
- **Recline Adjustment Issues:** Ensure the recline lever is fully engaged and the seat is not obstructed by the vehicle's seat.

For persistent issues or concerns, please contact R for Rabbit customer support.

8. SPECIFICATIONS
