Thrustmaster T80 Ferrari 488 GTB

Thrustmaster T80 Ferrari 488 GTB Edition Racing Wheel User Manual

Model: T80 Ferrari 488 GTB

1. INTRODUCTION

The Thrustmaster T80 Ferrari 488 GTB Edition Racing Wheel is an 8:10 scale replica of the genuine Ferrari 488 GTB wheel, officially licensed by Ferrari and PlayStation 4. Designed for total realism in racing games, this wheel is compatible with PlayStation 4, PlayStation 5, and PC (Windows 7/8/10). It features an ergonomically designed wheel, realistic linear resistance, and a 2-pedal pedal set for an immersive racing experience.

2. WHAT'S IN THE BOX

- Thrustmaster T80 Ferrari 488 GTB Edition Racing Wheel
- 2-Pedal Pedal Set (Accelerator and Brake)
- Instruction Manual

3. SETUP

Follow these steps to set up your Thrustmaster T80 Ferrari 488 GTB Edition Racing Wheel:

1. **Mounting the Racing Wheel:** Secure the racing wheel to a stable surface, such as a desk or a dedicated racing stand. The wheel base includes an adjustable clamping system for easy attachment. Ensure it is firmly secured to prevent movement during use.
2. **Connecting the Pedal Set:** Connect the pedal set cable to the designated port on the back of the racing wheel base.
3. **Connecting to your Console/PC:** Plug the USB cable from the racing wheel base into an available USB port on your PlayStation 4, PlayStation 5, or PC.
4. **Power On:** Turn on your console or PC. The system should automatically detect the racing wheel.

4. OPERATING INSTRUCTIONS

The T80 Ferrari 488 GTB Edition Racing Wheel is designed for intuitive control and an authentic racing feel.

- **Steering Wheel:** The ergonomically designed wheel provides a comfortable grip for extended gaming sessions. It features realistic linear resistance with an automatic re-centering mechanism, thanks to Thrustmaster's exclusive

“Bungee Cord” system, offering a natural steering feel.

- **Paddle Shifters:** Two wheel-mounted sequential paddle shifters (up and down) allow for quick and precise gear changes, enhancing the realism of your racing experience.
- **Integrated Buttons:** The wheel includes built-in “PS”, “SHARE”, and “OPTIONS” buttons, providing easy navigation within the PlayStation system and in-game menus. Additional action buttons are also available for various in-game functions.
- **Pedal Set:** The included 2-pedal set (accelerator and brake) offers progressive resistance for precise control over acceleration and braking.

Item Weight	8.6 Pounds
Color	Black
Brand Name	Thrustmaster
Model Name	Thrustmaster T80 Ferrari 488 GTB
Manufacturer	Thrustmaster
GTIN / UPC	663296420824

8. MAINTENANCE

To ensure the longevity and optimal performance of your racing wheel, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to clean the wheel and pedal surfaces. Avoid abrasive cleaners or solvents that could damage the finish.
- **Storage:** When not in use, store the racing wheel and pedals in a clean, dry environment away from direct sunlight and extreme temperatures.
- **Cable Management:** Ensure all cables are neatly routed and not under tension or pinched to prevent damage.

9. TROUBLESHOOTING

If you encounter any issues with your Thrustmaster T80 Ferrari 488 GTB Edition Racing Wheel, consider the following common troubleshooting steps:

- **No Detection/Functionality:** Ensure all cables are securely connected to the wheel, pedals, and console/PC. Try connecting to a different USB port. For PC, ensure the latest drivers are installed from the Thrustmaster website.
- **Incorrect Calibration:** If the wheel or pedals are not responding correctly, try re-calibrating them through your game settings or the Thrustmaster control panel on PC.
- **Game Compatibility:** Verify that the game you are playing supports racing wheels and that the in-game controller settings are configured for the Thrustmaster T80.
- **Power Cycle:** Turn off your console/PC, unplug the racing wheel, wait a few seconds, then plug it back in and restart your system.

10. WARRANTY AND SUPPORT

The Thrustmaster T80 Ferrari 488 GTB Edition Racing Wheel comes with a **one-year warranty** from the date of purchase. For detailed warranty information, technical support, or service requests, please visit the official Thrustmaster website or contact their customer support directly. Keep your proof of purchase for warranty claims.
