Brightech HUDSON-BK

Brightech Hudson 2 LED Floor Lamp Instruction Manual

Model: HUDSON-BK

1. PRODUCT OVERVIEW

The Brightech Hudson 2 LED Floor Lamp is a contemporary arc lamp designed for indoor use. It features an adjustable arm and a weighted base for stability. The lamp is equipped with energy-efficient LED bulbs, providing long-lasting illumination.

Key Features:

- **Adjustable Arm:** Allows for flexible positioning of the light source.
- **Energy-Efficient LED:** Includes two LED bulbs designed for long life and lower energy consumption.
- **Weighted Base:** Provides enhanced stability to prevent tipping.
- **Foot Switch:** Convenient on/off operation.
- **Durable Construction:** Made with cast metal and linen materials.

2. PACKAGE CONTENTS

Please ensure all components are present before beginning assembly:

- Lamp body
- LED bulb
- Lamp shade

3. ASSEMBLY INSTRUCTIONS

Follow these steps to assemble your Brightech Hudson 2 LED Floor Lamp:

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, flat surface.
2. **Assemble the Base and Pole:** Securely attach the main pole sections to the weighted base. Ensure all connections are tightened to prevent wobbling.
3. **Attach the Adjustable Arm:** Connect the adjustable arc arm to the main pole. The joint allows for height adjustment. Tighten the knob on the joint to secure the arm at your desired height.

Image 2: Detail of the adjustable joint on the lamp's pole, which allows for height and angle adjustments of the arc arm.

4. **Assemble the Lamp Shade:** The lamp shade may require minor assembly. Follow the instructions provided with the shade to attach it to its frame.

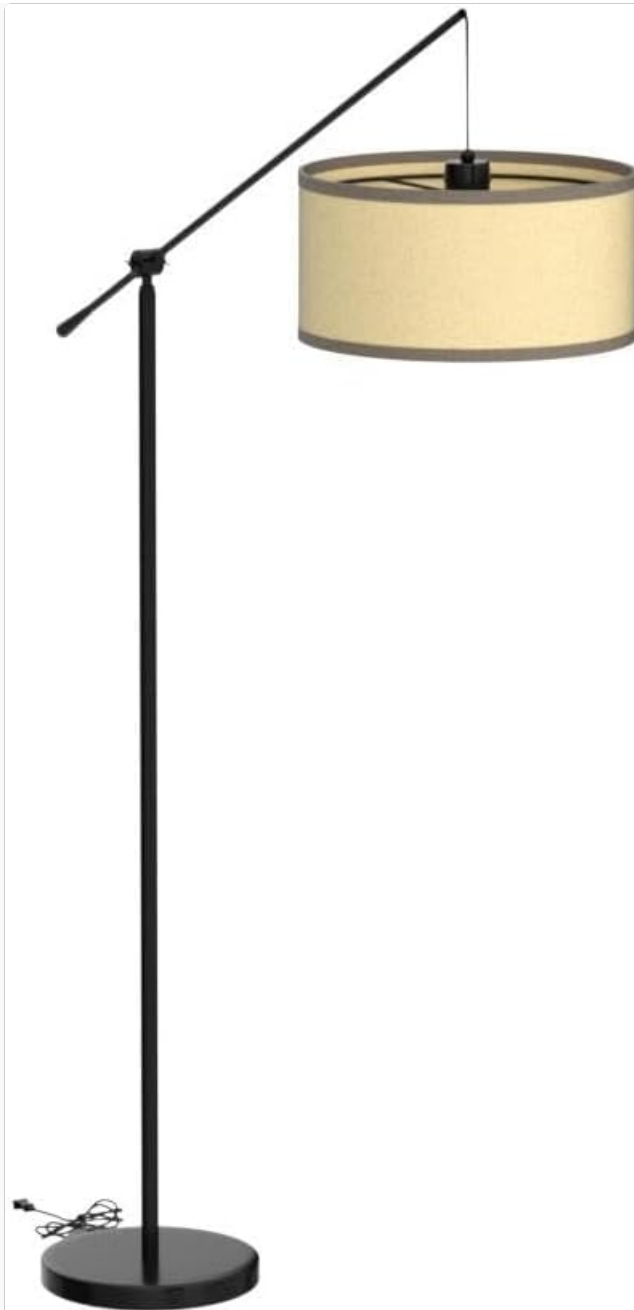

Image 3: A close-up view of the beige linen lamp shade, highlighting its texture and construction.

5. **Install the LED Bulb:** Screw the provided LED bulb into the lamp socket. Do not overtighten.
6. **Position the Lamp:** Place the lamp in your desired location. The adjustable arm allows the light to extend over furniture such as a couch or armchair.

4. OPERATING INSTRUCTIONS

The Brightech Hudson 2 LED Floor Lamp is designed for simple operation:

- **Power On/Off:** The lamp is operated by a foot switch located on the power cord. Press the switch once to turn the lamp on, and press it again to turn it off.
- **Dimming Function:** If using a compatible dimmable LED bulb and smart outlet (sold separately), the light output can be adjusted. Refer to the instructions for your smart device for dimming controls.

5. CARE AND MAINTENANCE

To ensure the longevity and optimal performance of your lamp, follow these care guidelines:

- **Cleaning the Shade:** Periodically dust the linen lamp shade with a soft, dry cloth. For deeper cleaning, gently wipe with a damp cloth and mild soap, then allow to air dry completely. Avoid harsh chemicals.
- **Cleaning the Base and Pole:** Wipe the metal base and pole with a soft, dry cloth. Do not use abrasive cleaners.
- **Bulb Replacement:** Ensure the lamp is unplugged before replacing the LED bulb. Use only E26 base LED bulbs.

6. TROUBLESHOOTING

If you encounter any issues with your lamp, refer to the following common solutions:

- **Lamp Does Not Turn On:**
 - Check if the power cord is securely plugged into a working electrical outlet.
 - Ensure the foot switch is pressed correctly.
 - Verify that the LED bulb is screwed in tightly and is not faulty. Try testing with a known working bulb.
- **Light Flickers:**
 - Ensure the bulb is screwed in firmly.
 - If using a dimmable bulb, ensure it is compatible with your dimmer switch or smart outlet.
- **Lamp is Unstable:**
 - Ensure all pole sections and the base are securely tightened.
 - Place the lamp on a flat, level surface.

7. SPECIFICATIONS

Feature	Detail
Model Number	HUDSON-BK
Product Dimensions	24"D x 1.97"W x 70"H
