SAFETY INFORMATION

WARNING: This product requires assembly. Always follow the assembly instructions carefully to ensure stability and safety. This product is a power recliner with adjustable headrests. Always use the controls gently and keep fingers and other body parts away from moving parts to prevent injury. This product is heavy and large. Always ensure it is properly assembled and stable before use to prevent tipping or other accidents.

- Keep children and pets away from moving parts.
- Do not stand on the footrest or armrests.
- Ensure all electrical connections are secure and properly grounded.
- Avoid spilling liquids on electrical components.

PRODUCT FEATURES

The Seatcraft Anthem Loveseat is designed for comfort and convenience, featuring:

- **Italian Leather Upholstery:** High-grade, quality leather for durability and aesthetic appeal.
- **Power Recline:** Smooth electric reclining mechanism for personalized comfort.
- **Powered Headrests:** Adjustable headrests for optimal neck and head support.
- **Center Storage Console:** A convenient console between seats for storage and additional amenities.
- **Arm Storage:** Hidden compartments within each armrest for storing small items.
- **USB Charging Ports:** Integrated USB ports for charging electronic devices.
- **Illuminated Cup Holders:** Cup holders with ambient lighting for visibility in low-light environments.
- **Ambient Base Lighting:** LED lighting along the base of the loveseat for enhanced ambiance.

- **Wireless Charging Pad:** A dedicated surface for wirelessly charging compatible devices.
- **Fold-Down Table:** The center console can convert into a table surface.
- **110V Power Outlet:** An integrated power outlet for additional device charging.

Seatcraft Anthem

SETUP AND ASSEMBLY

Assembly of the Seatcraft Anthem Loveseat is designed to be straightforward, typically taking 30 minutes or less. Follow these general steps:

1. **Unpack Components:** Carefully remove all parts from the packaging. Ensure all components listed in your packing slip are present.
2. **Position Base:** Place the base of the loveseat in its desired location. Due to its weight (approximately 335 lbs), it is recommended to have at least two people for moving.
3. **Attach Backrests:** Slide the backrests onto the metal posts located on the base. Ensure they click securely into place.
4. **Connect Electrical:** Connect any internal electrical cables for power recline, headrests, USB ports, and lighting. Refer to the specific wiring diagram included with your product.
5. **Connect Power:** Plug the power cord into a grounded electrical outlet.

OPERATING INSTRUCTIONS

Your Seatcraft Anthem Loveseat offers intuitive controls for a personalized experience.

Power Recline and Headrest Adjustment

POWERED RECLINE CONTROL GUIDE

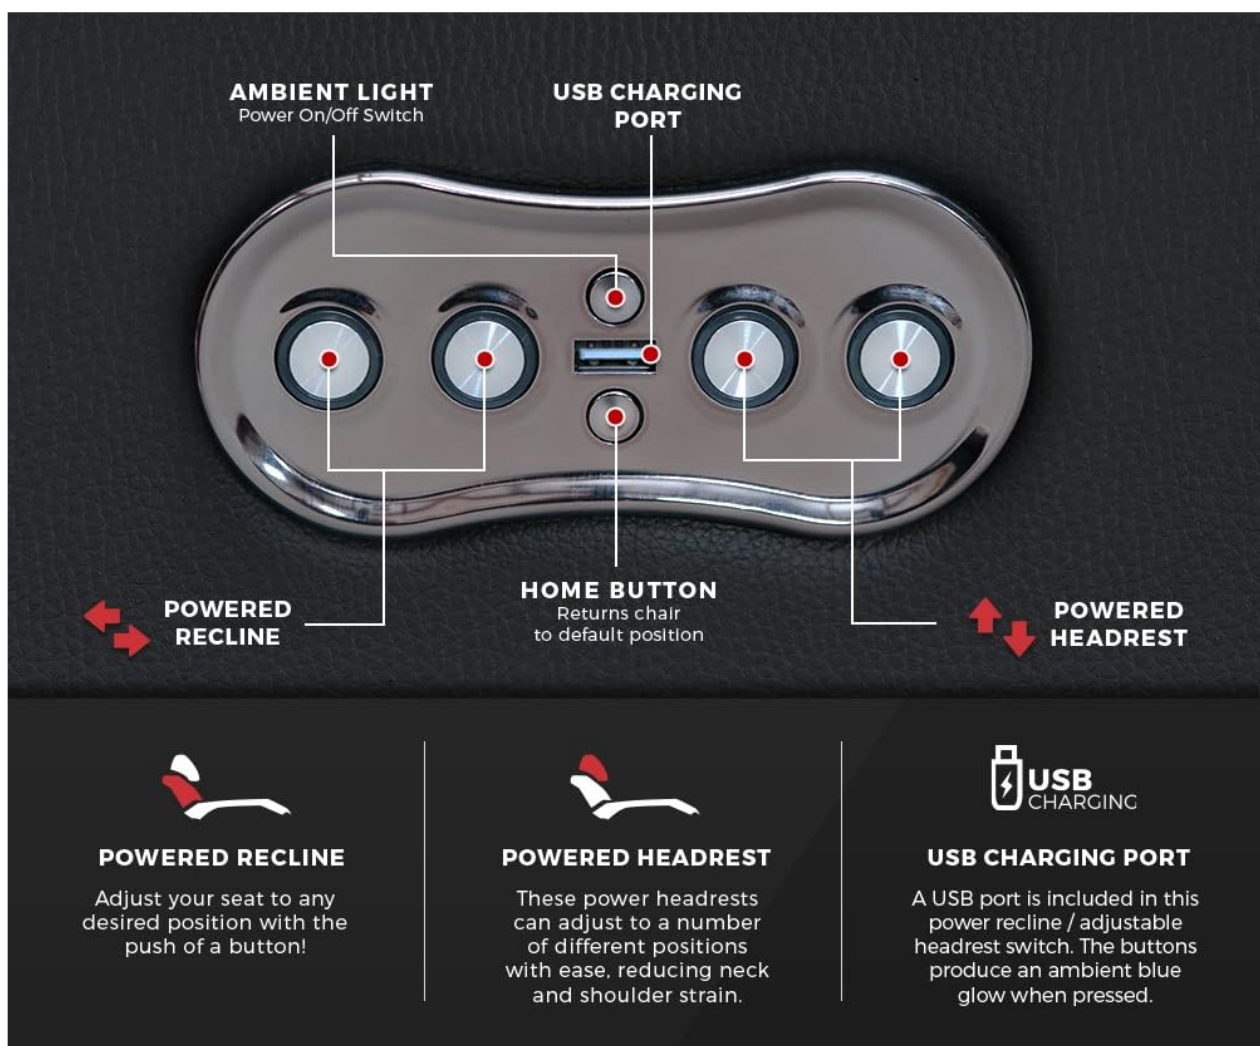

Image: Control panel for power recline and headrest.

- **Power Recline:** Use the left-most buttons on the control panel (labeled 'Powered Recline') to extend or retract the footrest and recline the seat.
- **Powered Headrest:** Use the right-most buttons on the control panel (labeled 'Powered Headrest') to adjust the angle of the headrest.
- **Home Button:** Press and hold the central 'Home' button to return the seat, footrest, and headrest to their upright, default positions.

Charging Devices

- **USB Charging:** Plug your USB cable into the USB port located on the control panel to charge compatible devices.
- **Wireless Charging:** Place your compatible device on the wireless charging pad (if equipped) located in the center console. The charging indicator will illuminate when charging.
- **110V Outlet:** Utilize the standard 110V power outlet (if equipped) in the center console for larger electronics.

Storage and Accessories

- **Arm Storage:** Lift the armrest covers to access the hidden storage compartments.
- **Center Console:** The center console lid opens to reveal storage space and additional cup holders.
- **Fold-Down Table:** The backrest of the center console can be folded down to create a table surface.
- **Cup Holders:** Use the illuminated cup holders in the armrests and center console for beverages.

MAINTENANCE

Proper care will extend the life and appearance of your loveseat.

- **Leather Care:** Regularly wipe the Italian leather upholstery with a soft, damp cloth. For deeper cleaning, use a leather-specific cleaner and conditioner according to the product instructions. Avoid harsh chemicals or abrasive materials.
- **Electrical Components:** Ensure all power cords and connections are free from damage. Do not attempt to repair electrical components yourself; contact qualified service personnel.
- **Moving Parts:** Periodically check the reclining mechanism for smooth operation. Keep the area around moving parts clear of obstructions.
- **General Cleaning:** Vacuum regularly to remove dust and debris from crevices.

TROUBLESHOOTING

If you encounter any issues with your Seatcraft Anthem Loveseat, refer to the following common solutions:

- **No Power/Recline Not Working:**

- Check if the power cord is securely plugged into a working electrical outlet.
- Ensure all internal electrical connections are properly seated.
- Verify the wall outlet is functional by plugging in another appliance.

- **Unusual Noises During Operation:**

- Inspect the reclining mechanism for any obstructions.
- Ensure all assembly bolts are tightened.

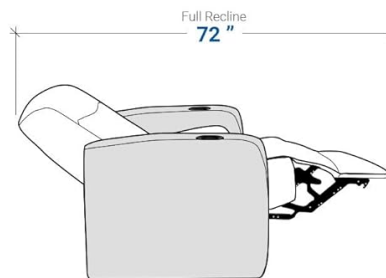

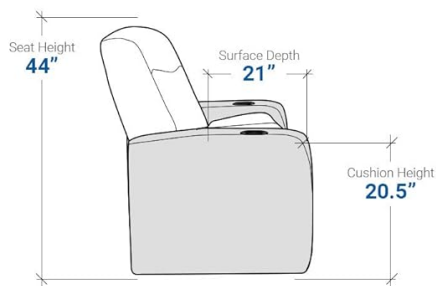

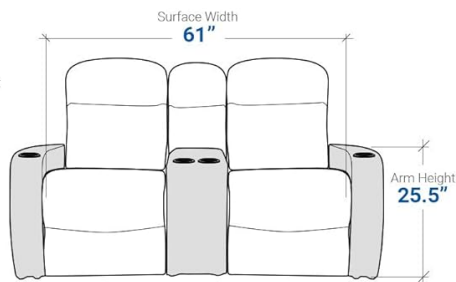

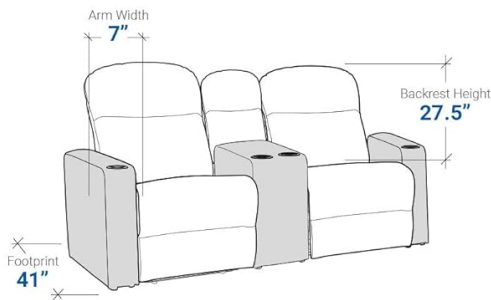

- **USB/Wireless Charging Not Functioning:**

- Confirm the loveseat is powered on.
- For wireless charging, ensure your device is compatible and properly aligned on the charging pad.

If problems persist, contact Seatcraft customer support for assistance.
