2. SAFETY INFORMATION

Please observe the following safety guidelines to ensure a safe and enjoyable experience:

- **Choking Hazard:** This product contains small parts and is **not suitable for children under 3 years of age**. Adult supervision is recommended for young children.
- Keep packaging materials away from children to prevent suffocation.
- Do not put building blocks in the mouth.
- Inspect blocks regularly for damage. Discard any broken or damaged pieces to prevent injury.

3. PACKAGE CONTENTS

The Sluban M38-B0622 building block set includes:

- 760 assorted building block pieces.
- Instruction booklet with pictorial assembly guide.

Please verify that all components are present upon opening the package. If any parts are missing, refer to

the Troubleshooting section.

4. SETUP AND ASSEMBLY

Follow these steps to assemble your building block models:

1. **Unpack:** Carefully remove all building blocks and the instruction booklet from the packaging.
2. **Organize:** Sort the blocks by color, size, or type to facilitate easier assembly, if desired.
3. **Follow Guide:** Refer to the included pictorial instruction booklet for step-by-step assembly of the intended models. Each step illustrates which pieces to use and where to place them.
4. **Connect Pieces:** Press blocks firmly together until they are securely connected. A slight 'click' may be heard when pieces are properly joined.
5. **Creative Building:** Once the primary models are built, or at any point, feel free to use the blocks for free-form creative construction. The blocks are fully compatible with other major building block brands, allowing for expanded creative possibilities.

5. OPERATING INSTRUCTIONS

The Sluban M38-B0622 building blocks are designed for imaginative play and construction. Once assembled, models can be displayed, played with, or disassembled to create new structures. The primary operation involves connecting and disconnecting the blocks to form desired shapes and objects.

- **Interchangeability:** All pieces are designed to fit together securely and can be interchanged to build a wide variety of designs.
- **Disassembly:** To separate blocks, gently pull them apart. Avoid excessive force to prevent damage to the pieces.

6. MAINTENANCE

Proper care will extend the life of your building blocks:

- **Cleaning:** To clean the blocks, wipe them with a soft, damp cloth. For stubborn dirt, a mild soap solution can be used, followed by rinsing with clean water and air drying.
- **Avoid Chemicals:** Do not use harsh chemicals, abrasive cleaners, or solvents, as these can damage the plastic.
- **Storage:** Store the building blocks in a clean, dry, and cool environment, away from direct sunlight and extreme temperatures. This helps prevent discoloration and material degradation.
- **Inspection:** Periodically inspect all pieces for wear, cracks, or damage. Replace or discard any damaged pieces to maintain safety and functionality.

7. TROUBLESHOOTING

If you encounter any issues with your Sluban M38-B0622 building block set, please refer to the following common solutions:

- **Missing Pieces:** Carefully check all packaging materials and the play area. If pieces are genuinely missing from a new set, please contact the retailer or manufacturer's customer support for assistance.
- **Blocks Not Connecting Securely:** Ensure that the studs and tubes are aligned correctly. Apply firm, even pressure to connect the blocks. Avoid forcing misaligned pieces.
- **Blocks Difficult to Separate:** Some connections may be tighter than others. Try wiggling the blocks gently while pulling them apart. Avoid using tools that could damage the plastic.

- **Damaged Pieces:** If any pieces are cracked or broken, discontinue use of those specific pieces to prevent injury.
