JVC SI43F 43-inch LED Television User Manual

Model: SI43F

Introduction

Thank you for purchasing the JVC SI43F 43-inch LED Television. This manual provides essential information for the safe and efficient operation of your new television. Please read this manual thoroughly before using the product and retain it for future reference.

Important Safety Information

- **Power Source:** Ensure the television is connected to an AC 100-240V, 50/60Hz power supply.
- **Ventilation:** Do not block ventilation openings. Allow adequate space around the television for proper airflow.
- **Water and Moisture:** Do not expose the television to rain or moisture. Do not place objects filled with liquids, such as vases, on the television.
- **Cleaning:** Unplug the television from the power outlet before cleaning. Use a soft, dry cloth. Do not use liquid cleaners or aerosol cleaners.
- **Placement:** Place the television on a stable, level surface. Avoid placing it in direct sunlight or near heat sources.
- **Children:** Supervise children to ensure they do not climb on or play with the television.
