LEMEGA M3+

LEMEGA M3+ WiFi Smart Radio Instruction Manual

Model: M3+

1. INTRODUCTION

Thank you for choosing the LEMEGA M3+ WiFi Smart Radio. This manual provides essential information for the safe and efficient operation of your device. Please read it thoroughly before use and retain it for future reference.

The LEMEGA M3+ is a versatile audio system featuring Internet Radio, FM Digital Radio, Spotify Connect, Bluetooth connectivity, and USB playback, all housed in a stylish wooden cabinet with stereo sound output.

2. PRODUCT OVERVIEW

Key Features

- **WiFi Smart Radio:** Access thousands of Internet radio stations and podcasts.
- **Spotify Connect:** Stream millions of tracks directly from your Spotify account.
- **FM Digital Radio:** Enjoy local FM stations with clear digital sound.
- **Bluetooth Speaker:** Wirelessly stream audio from your smartphone or tablet.
- **USB Playback:** Play MP3 files from a USB drive.
- **Stereo Sound:** Equipped with two front-facing 2.5" full-range speakers and a built-in 4" downward-firing subwoofer for 25W distortion-free sound.
- **Dual Alarms Clock:** Set independent alarms with music or buzzer, and utilize snooze/sleep timer functions.
- **Connectivity:** Headphones-Out, AUX-in, Wired Ethernet.
- **Control:** Remote control and app control for convenient operation.

USB Player

Image Description: A LEMEGA M3+ Smart Radio in a dark wooden finish, featuring a central display screen and two speaker grilles on either side. Below the radio, icons illustrate its key functions: Internet Radio, Spotify, Bluetooth, FM Radio, Aux In, and USB Player.

Top Panel Controls

Video Description: This video showcases the LEMEGA M3P Smart Stereo Radio, highlighting its design, the top-mounted control dial with various functions like presets, alarm, sleep, mute, and menu, and its powerful sound output from front-facing speakers and a downward-facing subwoofer. It also demonstrates the Internet Radio, Spotify Connect, DAB, FM, and Bluetooth features, and shows the available wooden box finishes (Black, Walnut, White).

Rear Panel Connections

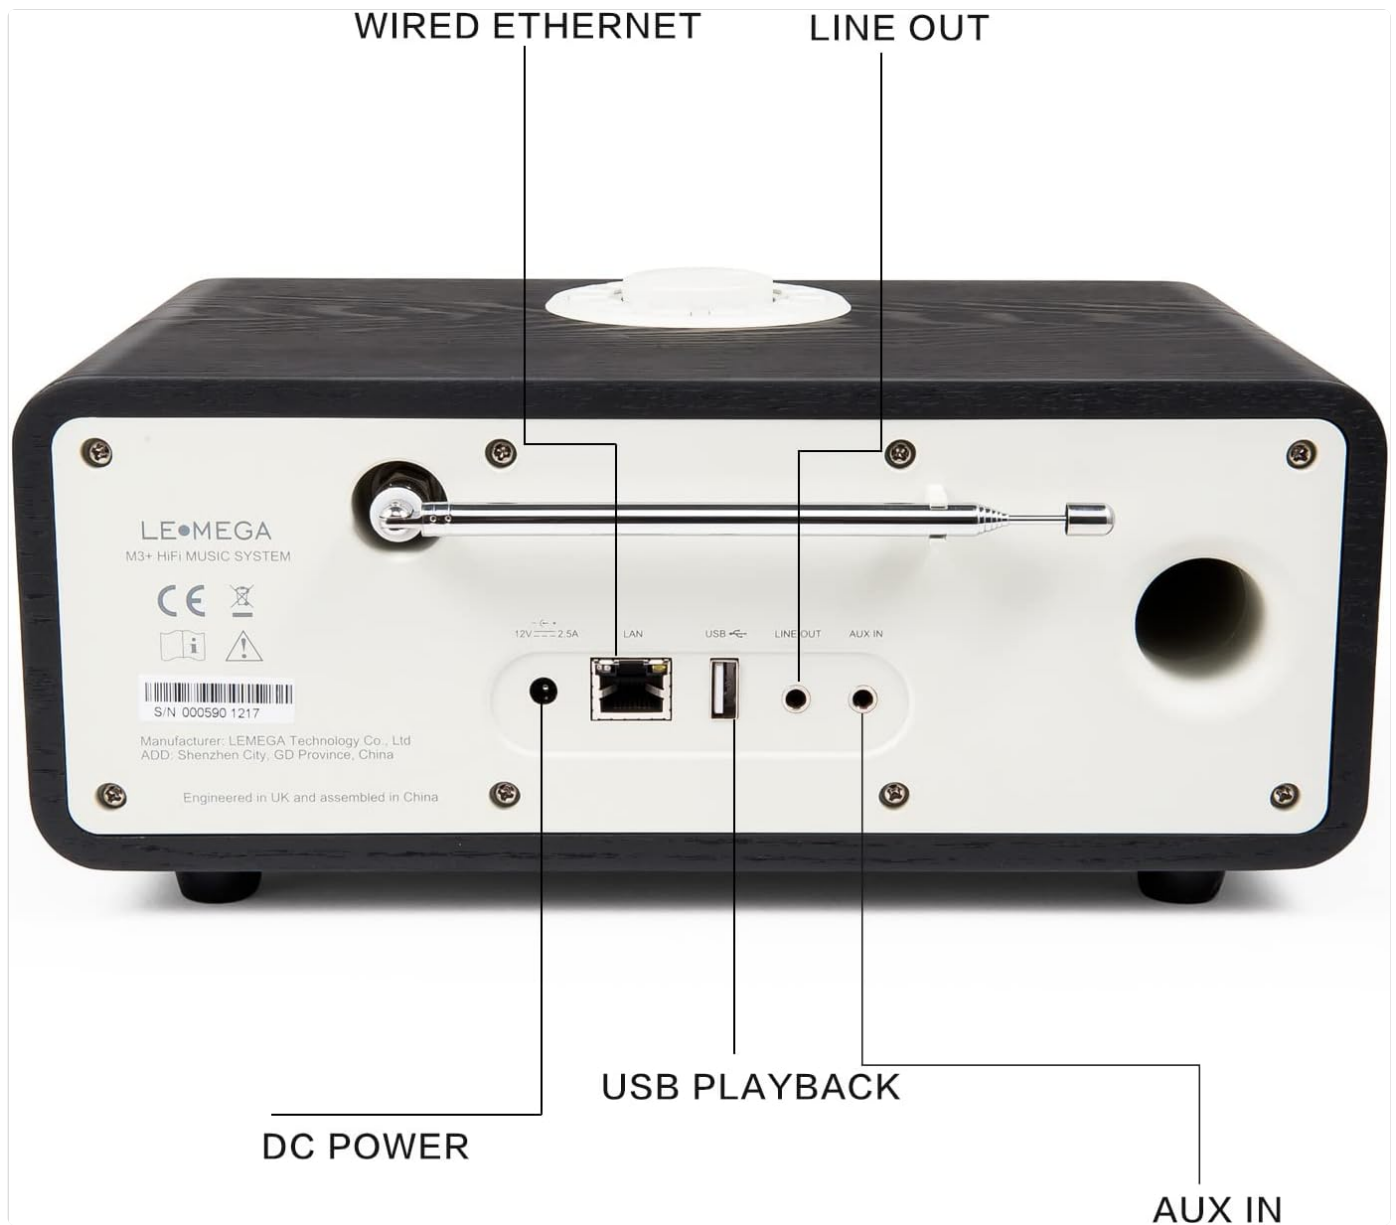

Image Description: The rear panel of the LEMEGA M3+ music system, clearly labeling the DC Power input, Wired Ethernet (LAN) port, USB Playback port, Line Out, and Aux In connections. An extendable antenna is also visible.

3. SETUP

3.1 Unpacking and Placement

- Carefully remove the radio from its packaging.
- Place the radio on a stable, flat surface away from direct sunlight, heat sources, and moisture.
- Ensure adequate ventilation around the unit.

3.2 Power Connection

1. Connect the supplied power adapter to the DC Power input on the rear of the radio.
2. Plug the power adapter into a wall outlet.

3.3 Antenna Connection

Extend the telescopic antenna for optimal FM radio reception.

3.4 Initial Network Setup (Wi-Fi/Ethernet)

1. Upon first power-on, the radio will guide you through the network setup process.
2. Select your preferred language.
3. Choose between **Wi-Fi** or **Wired Ethernet** connection.
4. For Wi-Fi: Select your network from the list and enter the password using the control dial and buttons.
5. For Wired Ethernet: Connect an Ethernet cable from your router to the LAN port on the rear of the radio.
6. The radio will connect to the internet and update the time and date automatically.

4. OPERATING INSTRUCTIONS

4.1 Internet Radio

WIFI INTERNET RADIO

Enjoy over 30,000 Internet radio stations and podcasts from around the world. The built-in Spotify Connect also makes you enjoy over 20 millions music tracks freely.

Image Description: The LEMEGA M3+ Smart Radio sits on a kitchen counter, displaying 'Internet radio' on its screen. The image emphasizes the radio's ability to access over 30,000 Internet radio stations and podcasts globally, along with Spotify Connect for music streaming.

1. From the main menu, select **Internet Radio**.

2. Browse stations by location, genre, or search for specific stations.
3. Use the control dial to navigate and select.
4. Press the **Presets** button to save your favorite stations for quick access.

4.2 FM Digital Radio

FM RADIO

Enjoy all of your favourite FM stations with superior quality sound.
Easy set-up and quick auto-scan to access your favorite stations quickly.

Image Description: The LEMEGA M3+ Smart Radio displays 'FM 97.100MHz' on its screen, indicating it is tuned to an FM radio station. The accompanying text highlights the ease of setup and quick auto-scan for accessing favorite FM stations.

1. Select **FM Radio** from the main menu.
2. Use the **Auto-Scan** function to find available stations.
3. Manually tune using the control dial if desired.
4. Save up to 20 favorite FM stations using the **Presets** button.

4.3 Bluetooth Speaker

BLUETOOTH & USB PLAYBACK

With wireless bluetooth listen to your own music from your smartphone or tablet.
With USB ports allowing playback of MP3 files

Image Description: The LEMEGA M3+ Smart Radio is shown playing music, with a smartphone nearby also displaying music playback, illustrating the Bluetooth and USB playback capabilities. The radio's screen shows 'Bluetooth' and a song title.

1. Select **Bluetooth** from the main menu. The radio will enter pairing mode.
2. On your smartphone or tablet, enable Bluetooth and search for available devices.
3. Select "LEMEGA M3+" from the list to pair.
4. Once paired, you can stream audio wirelessly from your device to the radio.

4.4 Spotify Connect

1. Ensure your LEMEGA M3+ is connected to the internet.
2. Open the Spotify app on your smartphone, tablet, or computer.
3. Play a song and tap the "Devices Available" icon (usually a speaker or computer icon).
4. Select "LEMEGA M3+" from the list of devices.
5. The music will now play through your LEMEGA M3+ radio.

4.5 USB Playback

1. Insert a USB flash drive containing MP3 audio files into the USB port on the rear of the radio.
2. Select **USB Playback** from the main menu.
3. Navigate through your folders and select the desired track to play.

4.6 Dual Alarms Clock & Sleep/Snooze

DUAL ALARMS CLOCK/SLEEP/SNOOZE

Dual independent alarms to schedule your alarms/snooze/sleep timer, Take your favorite radio stations or music as the alarm ringtone to wake you up.

Image Description: The LEMEGA M3+ Smart Radio is shown on a bedside table, with its screen displaying the time '06:00' and date '01/12/2020'. This image highlights the radio's dual alarm clock, sleep, and snooze functions, allowing users to wake up to their favorite radio stations or a buzzer.

- **Setting Alarms:** Press the **Alarm** button on the top panel or remote. Follow the on-screen prompts to set Alarm 1 and Alarm 2, including time, source (Internet Radio, FM, or Buzzer), and frequency (daily, weekdays, weekends).
- **Snooze:** When an alarm sounds, press the **Snooze** button to temporarily pause the alarm.
- **Sleep Timer:** Set a sleep timer to automatically turn off the radio after a specified duration.

4.7 Headphones-Out & AUX-in

- **Headphones-Out:** Connect standard 3.5mm headphones to the headphone jack on the front panel for private listening.
- **AUX-in:** Connect external audio devices (e.g., MP3 player) to the AUX-in port on the rear panel using a 3.5mm audio cable. Select **AUX-in** from the radio's menu to play audio from the connected device.

4.8 Remote and App Control

The LEMEGA M3+ can be controlled using the included remote control or a dedicated smartphone app. Refer to the app's instructions for setup and usage.

5. MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the radio's surface. Do not use abrasive cleaners or solvents.
- **Dust:** Regularly dust the speaker grilles and vents to prevent accumulation.
- **Storage:** If storing the radio for an extended period, disconnect it from power and store it in a cool, dry place.

6. TROUBLESHOOTING

Problem	Possible Cause	Solution
No power	Power adapter not connected or faulty outlet.	Ensure power adapter is securely connected and the outlet is functional.
No sound	Volume too low; Mute function active; Incorrect source selected.	Increase volume; Deactivate Mute; Select the correct audio source.
Wi-Fi connection issues	Incorrect password; Router too far; Network interference.	Re-enter Wi-Fi password; Move radio closer to router; Check for network interference.
Poor FM reception	Antenna not extended or poor signal area.	Fully extend the telescopic antenna; Try repositioning the radio.
Bluetooth pairing failure	Device not in pairing mode; Radio not discoverable.	Ensure both devices are in pairing mode; Restart Bluetooth on both devices.
