Brand: iBaseToy

1. INTRODUCTION

Thank you for choosing the iBaseToy Carnival Games Bean Bag Toss Game. This instruction manual provides essential information for setting up, playing, and maintaining your game set. Designed for both kids and adults, this knockdown can game set offers engaging entertainment for various occasions.

2. COMPONENTS

The iBaseToy Carnival Games Bean Bag Toss Game set includes the following 13 pieces:

- 10 x Metal Cans (featuring monster faces and numbered backs)
- 3 x Bean Bags

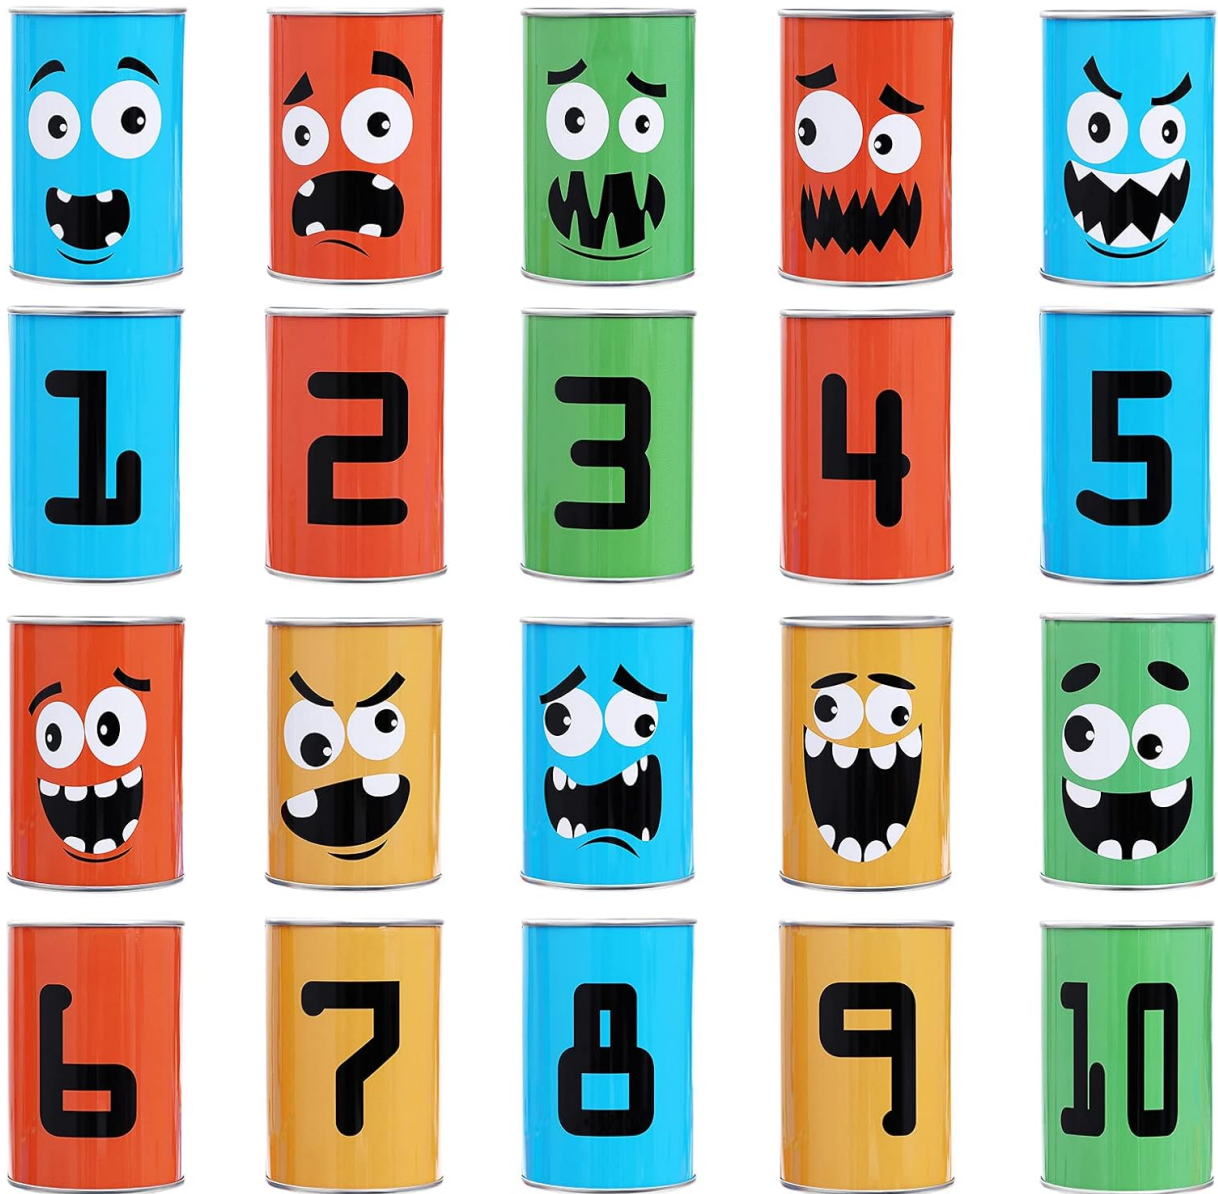

The cans are constructed from durable metal, and the bean bags are made from soft, fabric material.

4. OPERATING INSTRUCTIONS (HOW TO PLAY)

The objective of the game is to knock down as many cans as possible using the bean bags. Players take turns throwing the bean bags at the stacked cans.

1. **Determine Throwing Line:** Establish a throwing line a suitable distance from the stacked cans. Adjust the distance based on the age and skill level of the players.
2. **Take Turns:** Each player takes turns throwing the bean bags. You can decide on the number of bean bags each player gets per turn (e.g., 3 bean bags).
3. **Scoring:** The cans have numbers on their backs. Players earn points based on the numbers on the cans they successfully knock down. Tally the scores after each round or game.
4. **Winning:** The player with the highest score after a predetermined number of rounds or turns wins the game.

5. MAINTENANCE

- **Cleaning Cans:** Wipe metal cans with a damp cloth and mild soap if necessary. Dry thoroughly to prevent rust.
- **Cleaning Bean Bags:** Spot clean bean bags with a damp cloth. Do not machine wash to avoid damage to the filling.
- **Storage:** Store all game components in a dry place away from direct sunlight when not in use. This will help preserve the colors and material integrity.

6. TROUBLESHOOTING

- **Cans not falling easily:** Ensure the cans are stacked on a smooth, level surface. For younger children, you may place them closer or use fewer cans.
- **Bean bags not throwing straight:** Practice throwing technique. Ensure a consistent grip and release.
- **Damage to components:** Inspect all parts regularly for wear and tear. Discontinue use if any part is broken or poses a safety risk.
