### HMVPL Vintage Glass Swag Chandelier

## HMVPL Plug-in Pendant Light User Manual

Model: Vintage Glass Swag Chandelier (ASIN: B0788JX7CM)

### INTRODUCTION

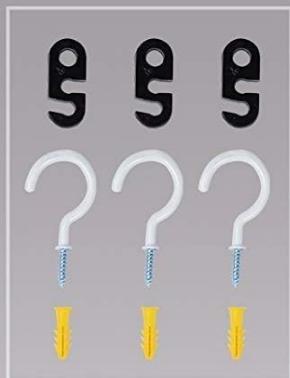

Thank you for purchasing the HMVPL Plug-in Pendant Light. This manual provides important information regarding the installation, operation, maintenance, and troubleshooting of your new lighting fixture. Please read this manual thoroughly before installation and keep it for future reference.

This industrial 1-light adjustable mini pendant light is designed to add a beautiful accent to various spaces such as closets, living rooms, foyers, kitchen sinks, dressers, or temporary outdoor settings. Its long plug-in cord allows for flexible hanging length and position, making it suitable for both high and low ceilings.

### PRODUCT OVERVIEW

Light Fixture Form	Ceiling
Diameter	6.7 inches

Height	8.6 inches
Total Cord Length	16.4 feet
Switch to Plug Distance	3.2 feet
Max Wattage (Bulb)	60W (not included)
Safety Certification	UL listed socket

## SETUP AND INSTALLATION

Before beginning installation, ensure all components are present and undamaged. It is recommended to have a second person assist with installation for safety and ease.

### Package Contents:

- Pendant Light Fixture with Glass Shade
- 16.4-foot Plug-in Cord with In-line Dimmer Switch
- Mounting Hardware (hooks, anchors)
- Instruction Manual

### Installation Steps:

1. **Choose Location:** Select a suitable location for hanging the pendant light. Consider the length of the cord (16.4 ft) and the proximity to an electrical outlet.
2. **Mark Mounting Points:** Use the provided hooks to mark the desired hanging points on the ceiling or wall. For secure installation, especially on drywall, use the included anchors.
3. **Install Hooks:** Drill pilot holes if necessary, then screw the hooks firmly into the marked points. Ensure the hooks are strong enough to support the weight of the light fixture.
4. **Hang the Light:** Carefully hang the pendant light cord from the installed hooks. Adjust the cord length as desired to achieve the preferred hanging height. The long cord allows for flexibility in positioning.
5. **Install Bulb:** Screw a 60-watt vintage filament incandescent equivalent DIMMER LED bulb (not included) into the socket. Ensure the bulb is fully seated.
6. **Plug In:** Plug the power cord into a standard electrical outlet.

## OPERATING INSTRUCTIONS

The HMVPL Plug-in Pendant Light is designed for simple operation.

### Power On/Off and Dimming:

- Locate the in-line dimmer switch on the power cord. This switch is positioned approximately 3.2 feet from the plug for convenient access.
- To turn the light **ON**, rotate the dimmer switch clockwise until you hear a click and the light illuminates.
- To **DIM** the light, continue rotating the dimmer switch clockwise to increase brightness, or counter-clockwise to decrease brightness.
- To turn the light **OFF**, rotate the dimmer switch counter-clockwise until you hear a click and the light extinguishes.

**Note:** For optimal dimming functionality, use a 60-watt vintage filament incandescent equivalent DIMMER LED bulb. Non-dimmable bulbs may not function correctly with the dimmer switch or may cause damage.

## MAINTENANCE

---

Regular maintenance will help ensure the longevity and optimal performance of your pendant light.

### Cleaning:

- Always unplug the light fixture from the power outlet before cleaning.
- Wipe the glass shade and metal components with a soft, dry, or slightly damp cloth.
- Do not use abrasive cleaners, solvents, or polishes as they may damage the finish or glass.
- Ensure the fixture is completely dry before plugging it back in.

### Bulb Replacement:

- Ensure the light is turned off and unplugged from the power outlet.
- Allow the bulb to cool completely before attempting to remove it.
- Carefully unscrew the old bulb counter-clockwise.
- Screw in a new 60-watt vintage filament incandescent equivalent DIMMER LED bulb (or suitable replacement) clockwise until snug. Do not overtighten.
- Plug the light back in and test its operation.
