# NFL Plastic Hair Clip, 3-Piece Set

**Brand:** Simran | **Model:** HA01-1001-P

**Team:** Carolina Panthers

## INTRODUCTION

This instruction manual provides essential information for the proper use and care of your Simran NFL Plastic Hair Clip, 3-Piece Set. Designed for fans of the Carolina Panthers, this set includes two small and one large hair clip, featuring the team's logo. Please read this manual thoroughly to ensure optimal performance and longevity of your product.

## PRODUCT OVERVIEW

**Figure 1:** Simran NFL Plastic Hair Clip, 3-Piece Set (Carolina Panthers). This image displays the complete set of three hair clips. The top clip is a larger, wider claw clip, while the two clips below it are smaller, more compact claw clips. All clips are black with repeating blue Carolina Panthers logos printed across their surfaces.

The Simran NFL Plastic Hair Clip set is designed to securely hold hair while displaying team spirit. Each set includes:

- One (1) large plastic hair clip
- Two (2) small plastic hair clips

All clips feature a repeat team logo print in bright team colors, ensuring a tight grip for various hairstyles.

## SETUP

The Simran NFL Plastic Hair Clips require no assembly or complex setup. They are ready for immediate use upon removal from packaging.

1. Remove the hair clips from their packaging.
2. Inspect each clip for any visible damage or defects before first use.

## OPERATING INSTRUCTIONS

---

These hair clips are designed for securing sections of hair. Follow these general steps for use:

1. Identify the section of hair you wish to secure.
2. Gently press the two sides of the hair clip together to open the jaws.
3. Position the open clip around the desired hair section.
4. Release the pressure on the clip to allow the jaws to close, securing the hair.
5. Ensure the clip is firmly in place without pulling or causing discomfort.

The large clip is suitable for thicker sections of hair or for creating updos, while the smaller clips are ideal for securing smaller strands, bangs, or for decorative purposes.

## MAINTENANCE AND CARE

---

Proper care will extend the life of your hair clips:

- **Cleaning:** To clean the clips, wipe them gently with a damp cloth. For deeper cleaning, use mild soap and water, then rinse thoroughly and air dry completely before storing.
- **Storage:** Store clips in a dry place away from direct sunlight and extreme temperatures to prevent material degradation.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or harsh chemicals, as these can damage the plastic and the printed logo.
- **Handle with Care:** While durable, excessive force or bending can cause the plastic to break.

## TROUBLESHOOTING

---

Problem	Possible Cause	Solution
Clip does not hold hair securely.	Hair section is too thick for the clip size; clip mechanism is worn.	Try using a larger clip for thicker hair, or divide hair into smaller sections. If the clip is worn, replacement may be necessary.
Clip breaks easily.	Excessive force applied; material fatigue.	Avoid overfilling the clip or applying undue pressure. Ensure clips are not dropped or stepped on.
Logo fading or chipping.	Exposure to harsh chemicals; excessive friction; prolonged sun exposure.	Follow maintenance guidelines. Avoid contact with hairsprays, gels, or other styling products containing harsh chemicals. Store away from direct sunlight.
