Vileda Ultramat Turbo Flat Mop and Bucket Set Instruction Manual

Model: 163425 | Brand: Vileda

1. INTRODUCTION

The Vileda Ultramat Turbo Flat Mop and Bucket Set is engineered for superior floor cleaning with minimal effort. This comprehensive system includes a durable microfiber flat mop and an innovative bucket with a foot-pedal-activated wringing mechanism. Its design ensures efficient dirt removal and controlled moisture levels, making it safe for various floor surfaces. The pivoting mop head allows for easy access to hard-to-reach areas, such as under furniture.

2. SETUP AND ASSEMBLY

2.1 Unpacking

Carefully remove all components from the packaging. Ensure the following items are present:

- Vileda Ultramat Flat Mop (handle and head)
- Ultramat Turbo Bucket with Wringer
- Microfiber Mop Pad

2.2 Initial Assembly

1. **Assemble the Mop Handle:** Screw the telescopic handle sections together clockwise until securely tightened.
2. **Attach the Mop Head:** Align the mop head with the end of the assembled handle and click it into place.

3. **Attach the Mop Pad:** Place the microfiber mop pad flat on the floor. Align the mop head over the pad and press down firmly until the pad attaches securely to the hook-and-loop fasteners on the mop head.

3. OPERATING INSTRUCTIONS

3.1 Filling the Bucket

Fill the Vileda Ultramat Turbo Bucket with water and your preferred floor cleaning solution. Do not exceed the maximum fill line indicated inside the bucket.

3.2 Mopping

Dip the mop head into the water in the bucket, ensuring the microfiber pad is fully saturated. Lift the mop and proceed to the wringing step before mopping your floors.

3.3 Wringing the Mop

The unique foot pedal wringing system allows for optimal moisture control:

1. **Release Locking Mechanism:** On the mop head, locate and release the locking mechanism to allow the mop head to fold in half.
2. **Insert into Wringer:** Carefully insert the folded mop head into the wringer basket of the bucket.
3. **Activate Pedal:** Press down on the foot pedal repeatedly. The wringer basket will spin, removing excess water from the mop pad. The more you press, the drier the mop pad will become.
4. **Lock Mop Head:** Once the desired moisture level is achieved, remove the mop from the wringer and re-engage the locking mechanism on the mop head to flatten it for mopping.

4. MAINTENANCE

4.1 Cleaning the Mop Head

The microfiber mop pad is designed for easy cleaning:

- Remove the mop pad from the mop head by detaching it from the hook-and-loop fasteners.
- The pad can be machine washed at temperatures up to 60°C (140°F). Do not use fabric softener or bleach.
- Allow the mop pad to air dry completely before reattaching or storing.

Image: The microfiber mop pad is easily removable and machine washable.

4.2 Cleaning the Bucket

After each use, empty the dirty water from the bucket using the convenient spout. Rinse the bucket thoroughly with clean water and allow it to air dry before storage.

5. TROUBLESHOOTING

Problem	Possible Cause	Solution
Mop pad not wringing effectively.	Mop head not properly folded or inserted into wringer.	Ensure the mop head locking mechanism is released and the head is folded correctly before inserting into the wringer. Press the foot pedal firmly and repeatedly.
Mop pad not attaching securely.	Hook-and-loop fasteners are dirty or worn.	Clean any debris from the fasteners on both the mop head and pad. If worn, consider purchasing a replacement mop pad.

Problem	Possible Cause	Solution
Bucket leaks.	Damage to the bucket or improper assembly.	Inspect the bucket for cracks or damage. Ensure all parts are correctly assembled. If damaged, replace the bucket.

6. PRODUCT SPECIFICATIONS

Feature	Detail
Brand	Vileda
Model Number	163425
Head Material	Microfibre
Handle Material	Plastic
Product Dimensions	19.13 x 11.65 x 11.54 inches
Item Weight	5.28 pounds (2.4 Kilograms)
Volume (Bucket)	6000 Centiliters
Surface Recommendation	Floor
Included Components	Mop, Bucket, Mop Pad

7. WARRANTY AND SUPPORT

7.1 Warranty Information

This product is covered by a manufacturer's warranty. For specific details regarding warranty coverage and duration, please refer to the documentation included with your purchase or visit the official Vileda website. EU spare part availability is typically 1 year.

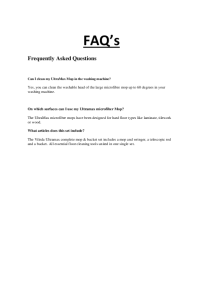

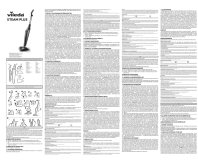

7.2 Return Policy

A 30-day refund/replacement policy may apply. Please check with your retailer or point of purchase for their specific return policy details.

7.3 Customer Support

For further assistance, technical support, or to inquire about replacement parts, please contact Vileda customer service through their official website or the contact information provided on the product packaging.
