Perco Monarch 1131

Perco Monarch 1131 Pricing Gun User Manual

Model: Monarch 1131

PRODUCT OVERVIEW

The Perco Monarch 1131 Pricing Gun is designed for efficient and accurate labeling of products. This starter kit includes the pricing gun, 10,000 white pricing labels, and a preloaded ink. It is ideal for various business applications such as retail, grocery stores, and merchandise tagging, allowing for quick application of prices, dates, and product codes. The gun features a two-line printout that is fast, simple, and easy to read. Labels come with security slits to prevent tampering.

SAFETY INFORMATION

Always handle the pricing gun with care. Keep out of reach of children. Do not attempt to disassemble the unit beyond the instructions provided in this manual. Use only compatible labels and ink rollers to ensure proper operation and prevent damage.

SETUP AND LOADING

1. Loading Labels

To load new labels, open the label compartment by pressing the release button. Insert the roll of labels into the compartment, ensuring the labels feed from the bottom. Thread the leading edge of the labels through the guide slot until it emerges from the front of the gun. Close the label compartment securely.

2. Loading Ink Roller

The Monarch 1131 comes with a preloaded ink roller. To replace it, locate the ink roller compartment, typically near the printing mechanism. Remove the old roller and insert the new one, ensuring it clicks into place. Avoid touching the ink surface directly.

OPERATING INSTRUCTIONS

1. Setting Characters and Price

To set the desired characters or price, locate the dial on the side of the gun. Rotate the dial to select the appropriate numbers, symbols, or letters for each position. The Monarch 1131 supports a single line with 8 characters per line, including currency symbols and dates.

2. Applying Labels

Once the characters are set, position the gun over the item you wish to label. Press the trigger firmly and smoothly to print and apply the label. The gun is designed for quick and consistent application.

MAINTENANCE

Regular maintenance ensures the longevity and optimal performance of your Perco Monarch 1131 Pricing Gun.

Cleaning

Periodically wipe down the exterior of the gun with a soft, dry cloth. If ink residue accumulates on the print head or character bands, gently clean with a lint-free cloth slightly dampened with rubbing alcohol. Ensure the gun is dry before use.

Ink Roller Replacement

Replace the ink roller when prints become faint or inconsistent. Refer to the "Loading Ink Roller" section for detailed instructions.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Labels not feeding	Labels incorrectly loaded or jammed.	Open compartment, re-thread labels, ensure no jams.
Faint or incomplete print	Ink roller is dry or improperly installed.	Replace ink roller or ensure it is seated correctly.
Characters not changing	Dial mechanism stuck or dirty.	Gently clean the dial area. Ensure the dial is fully engaged.
