Key Features:

- **Mid-Century Modern Design:** Organic aesthetic with clean lines and tapered legs.
- **Durable Construction:** Features a particleboard frame with walnut grain laminate.
- **Slatted Sliding Door:** Conceals media devices and offers flexible storage options.
- **Cable Management:** Integrated holes on both sides for organized wiring.
- **Non-Marking Foot Pads:** Protects flooring from scratches.
- **Spacious Storage:** Comprised of four units, suitable for various entertainment essentials.

SETUP AND ASSEMBLY

The Modway Render TV Stand requires assembly. All necessary hardware and clear instructions are included to

guide you through the process. It is recommended to lay out all components and hardware before beginning assembly to ensure all parts are present and to familiarize yourself with the steps. A Phillips head screwdriver and the provided hex wrench are the only tools required.

Assembly Tips:

- **Review Instructions:** Carefully read through the entire instruction manual before starting.
- **Organize Parts:** Separate and identify all hardware and wooden components.
- **Work on a Soft Surface:** To prevent scratches, assemble the unit on a carpeted floor or use the packaging material as a protective layer.
- **Tighten Securely:** Ensure all fasteners are tightened securely, but avoid over-tightening to prevent damage to the particleboard.
- **Sliding Door Installation:** Pay close attention to the installation of the sliding door mechanism to ensure smooth operation.

OPERATING INSTRUCTIONS

This media console is designed for straightforward use. Place your television on the top surface or mount it on the wall above the stand. Utilize the internal shelves for media devices, gaming consoles, or other accessories. The slatted sliding door can be moved left or right to conceal or reveal different sections of the storage area, allowing for flexible display and organization.

Cable Management:

Route all power and signal cables through the designated cable management holes located on the back panel of the unit. This helps maintain a clean and organized appearance, preventing tangled wires.

MAINTENANCE AND CARE

To ensure the longevity and appearance of your Modway Render TV Stand, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the surface with a dry, soft cloth. Avoid abrasive cleaners or harsh chemicals that may damage the walnut grain laminate.
- **Liquid Spills:** Immediately wipe up any liquid spills to prevent moisture damage to the particleboard.
- **Sunlight Exposure:** Avoid prolonged direct sunlight exposure to prevent fading or discoloration of the finish.
- **Weight Distribution:** Distribute weight evenly across the top surface and shelves to prevent sagging or structural stress.

TROUBLESHOOTING

Common Issues and Solutions:

- **Strong Odor (Off-Gassing):** New furniture made from engineered wood may emit a slight odor initially. Ensure the room is well-ventilated by opening windows and doors. The odor should dissipate over a few days to a week.
- **Components Not Fitting:** Double-check the assembly instructions and ensure all parts are oriented correctly. Sometimes, a slight adjustment or re-alignment is needed. Do not force components together.
- **Sliding Door Sticking:** Ensure the tracks are clear of debris. If the door still sticks, check that the unit is assembled squarely and that the tracks are properly aligned.
- **Unit Appears Unstable:** Verify that all screws and fasteners are securely tightened. Ensure the unit is placed on a flat, level surface.
