SSWBasics 55315-10

SSWBasics 5-Finger Black Velvet Ring Display Instruction Manual

Model: 55315-10

1. Product Overview

The SSWBasics 5-Finger Black Velvet Ring Display is designed to elegantly showcase up to five rings. Crafted from high-quality black velvet, this display holder provides a sophisticated backdrop that enhances the appearance of your jewelry. It is suitable for retail environments, trade shows, or personal use.

Image 1.1: The SSWBasics 5-Finger Black Velvet Ring Display, showcasing its design with rings placed on each finger-like projection.

2. Setup Instructions

1. **Unpack the Display:** Carefully remove the ring display from its packaging. Inspect for any signs of damage during transit.
2. **Choose a Stable Surface:** Place the display on a flat, stable surface such as a countertop, shelf, or display case. Ensure the surface is clean and free of debris to prevent scratching the display's base.

3. **Positioning:** Orient the display as desired to best present your rings. The square base provides stability.

3. Operating Instructions

This ring display is designed for straightforward use.

1. **Placing Rings:** Gently slide each ring onto one of the five velvet-covered finger-like projections. Ensure the ring is seated securely to prevent it from falling.
2. **Arrangement:** Arrange rings as desired for optimal visual appeal. The velvet material helps to hold rings in place and prevents scratching.
3. **Removal:** To remove a ring, gently lift it off the projection.

4. Maintenance

Proper care will help maintain the appearance and longevity of your ring display.

- **Dusting:** Regularly dust the velvet surface with a soft, lint-free cloth or a soft brush to remove accumulated dust.
- **Spot Cleaning:** For minor smudges or dirt, gently dab the affected area with a slightly damp cloth. Avoid rubbing vigorously, as this can damage the velvet pile. Use only water or a mild, non-abrasive fabric cleaner if necessary, testing on an inconspicuous area first.
- **Avoid Liquids:** Do not immerse the display in water or expose it to excessive moisture, as this can damage the velvet and the underlying structure.
- **Storage:** When not in use, store the display in a clean, dry place away from direct sunlight to prevent fading or damage to the velvet.

5. Troubleshooting

The SSWBasics 5-Finger Black Velvet Ring Display is a passive product and typically does not require troubleshooting. If you encounter any issues such as damage upon arrival, please refer to the 'Warranty and Support' section.

6. Specifications

Feature	Detail
