## iLuv AUDMINIPSBK

# iLuv Aud Mini Plus Bluetooth Speaker User Manual

Model: AUDMINIPSBK

## INTRODUCTION

Thank you for choosing the iLuv Aud Mini Plus Portable Bluetooth Speaker. This compact and rugged speaker is designed to deliver high-fidelity audio with powerful bass, making it ideal for both indoor and outdoor use. Featuring IPX5 water resistance, hands-free calling, and a long 12-hour playtime, the Aud Mini Plus provides a versatile and enjoyable listening experience. This manual will guide you through the setup, operation, and maintenance of your new speaker.

## SETUP

### Charging the Speaker

Before first use, fully charge your Aud Mini Plus speaker.

1. Locate the Micro USB charging port on the speaker, usually protected by a rubber cover.
2. Open the rubber cover and connect the included Micro USB cable to the speaker.

3. Connect the other end of the USB cable to a USB power adapter (not included) or a computer's USB port.
4. The LED indicator will show a red light while charging. Once fully charged, the LED light will turn off.
5. A full charge provides approximately 12 hours of playtime. If the battery drops below 15%, the LED indicator will flash red.

## Pairing with Bluetooth Devices

The Aud Mini Plus uses Bluetooth 4.2 for stable and efficient wireless connection.

1. Ensure the speaker is charged.
2. Press and hold the Power button ( ) on the speaker until you hear an audible prompt or see the Bluetooth indicator light flashing, indicating it's in pairing mode.
3. On your device (smartphone, tablet, computer, Echo Dot, etc.), go to the Bluetooth settings.
4. Search for available devices and select "Aud Mini Plus" from the list.
5. Once connected, the speaker will provide an audible confirmation, and the Bluetooth indicator light will stop flashing and remain solid.
6. The speaker will automatically reconnect to the last paired device when powered on, if the device's Bluetooth is active and within range.

# Compatible with Echo Dot

## Compatible with All Bluetooth Enabled Devices

iPhone series

iPad series

Macbook series

Samsung Galaxy series

Tablet series

PC / Notebook / Chromebook series

Amazon Echo / Echo Dot

## OPERATING INSTRUCTIONS

### Controls Overview

The Aud Mini Plus features intuitive button controls on its side.

- **Power Button** ( ): Press and hold to power on/off.
- **Volume Up (+)**: Short press to increase volume. Long press for next track.
- **Volume Down (-)**: Short press to decrease volume. Long press for previous track.
- **Play/Pause/Call Button** (▶■■ / ☎): Short press to play/pause music. Short press to answer/end a call. Long press to reject a call.

# Hands-Free Phone Calls

Answer phone calls with the slightest of ease

Image: A finger pressing the call button on the iLuv Aud Mini Plus speaker, demonstrating its hands-free phone call capability.

## Playing Music

Once paired, you can stream audio from your device to the speaker.

- Start playing music on your connected device.
- Adjust volume using the '+' and '-' buttons on the speaker or your device.
- Use the Play/Pause button to control playback.

## Hands-Free Calling

The built-in microphone allows for hands-free phone conversations.

- When a call comes in, the music will pause.
- Short press the Play/Pause/Call button to answer the call.
- To end the call, short press the Play/Pause/Call button again.
- To reject an incoming call, long press the Play/Pause/Call button.

## Aux-In Mode

For devices without Bluetooth, use the Aux-in port.

1. Open the rubber cover protecting the Aux-in port.
2. Connect a 3.5mm audio cable (not included) from your device's headphone jack to the speaker's Aux-in port.
3. The speaker will automatically switch to Aux-in mode.
4. Control playback and volume from your connected device.

## MAINTENANCE

---

### Cleaning

Wipe the speaker with a soft, damp cloth. Do not use harsh chemicals or abrasive cleaners.

### Water Resistance (IPX5)

The Aud Mini Plus is rated IPX5 water resistant, meaning it can withstand splashes and light rain.

- Ensure all rubber port covers are securely closed to maintain water resistance.
- **Do not submerge the speaker in water.**
- Avoid prolonged exposure to wet environments.
- Dry the speaker thoroughly after exposure to water before charging or opening port covers.

# IPX5 Rated Water Resistance

Ideal for rainy day, shower, or swimming pool party
