BIG RED Cola 20 Ounce

BIG RED Soda Cola 20 Ounce (12-Pack)

Instruction Manual

1. INTRODUCTION

This manual provides essential information for the proper handling, storage, and consumption of BIG RED Cola 20 Ounce bottles. Please read these instructions carefully to ensure the best experience with your product.

Image 1.1: A 12-pack of BIG RED Cola 20 Ounce bottles.

2. PRODUCT INFORMATION

BIG RED Cola is a unique soda beverage, originally created in 1937. This product comes in a 12-pack of 20-ounce plastic bottles, known for its distinctively sweet and smooth flavor profile.

2.1. Ingredients

- CARBONATED WATER
- HIGH FRUCTOSE CORN SYRUP
- NATURAL AND ARTIFICIAL FLAVOR
- RED 40
- CITRIC ACID
- CAFFEINE

2.2. Important Safety Information

General safety warnings apply. Keep out of reach of children. Store in a cool, dry place. Consume within the best-before date printed on the packaging. Statements regarding dietary supplements have not been evaluated by the FDA and are not intended to diagnose, treat, cure, or prevent any disease or health

condition.

3. SETUP

For optimal enjoyment, it is recommended to chill BIG RED Cola bottles in a refrigerator for several hours before consumption. Proper chilling significantly enhances the flavor and carbonation of the beverage.

4. OPERATING INSTRUCTIONS

To consume, twist the cap counter-clockwise to open the bottle. You may pour the soda into a glass with ice, or drink directly from the bottle. Ensure the cap is securely replaced if the entire contents are not consumed immediately to help maintain carbonation.

5. MAINTENANCE AND STORAGE

Store unopened bottles in a cool, dry place away from direct sunlight and extreme temperatures. Once opened, refrigerate any remaining beverage and consume within a few days for the best quality and taste.

6. TROUBLESHOOTING

- **Issue:** Soda tastes flat or less flavorful.
Solution: Ensure the product is thoroughly chilled before opening. Proper chilling significantly enhances the carbonation and flavor profile. If the bottle has been opened, ensure the cap is tightly sealed to prevent carbonation loss.
- **Issue:** Unpleasant taste (e.g., 'plastic' aftertaste).
Solution: This can sometimes occur if the product has been stored improperly, such as in excessive heat or direct sunlight. Always store in a cool, dry place. If the issue persists with a new, properly stored bottle, please contact customer support.

7. SPECIFICATIONS

| Feature | Detail |
|---------------------|----------------------------|
| Brand | BIG RED |
| Flavor | Cola |
| Item Form | Liquid |
| Number of Items | 12 |
| Package Information | Bottle |
| Units | 240.0 Fluid Ounces (total) |
